Tracy

1. What does the \$62,000 buy?
2. Who selects the person to fill this position?
3. Who oversees the contract?
4. Who has supervision over person hired?
5. Logistically, where does the person work from?
6. What is the public's involvement in this process?
7. If there is an oversight board, what is the representation of each jurisdiction?
(1 person for each jurisdiction?)
8. Commitment time of funds - contracting with this person for 1 year or longer?
9. What type of reporting will be done? Need good coordination so all jurisdictions are aware of what is occurring.
10. Is there involvement by the Salem/Keizer School district? If so, how?
11. What happens if we start down this road and the anticipated grant funding does not materialize? (Contingency Plan?)

Internal Questions:

1. How does our PD feel about the expenditure of funds in this manner?
2. Is this the most proficient way to spend these \$ or are there other programs that our PD/staff feels would better benefit our community?
3. Financially--what does this do to the City's contingency funds?
