VOLUNTEER RECOGNITION CEREMONY

The Committee continued discussion and final preparation of the recognition ceremony scheduled for October 22nd. Assignments were made for greeters, set-up, check-in, and clean up. In reviewing the program, it was determined members of the first City Council would be invited to give a short presentation on the success of volunteerism over the years. Kathie Beach will preside over the festivities with the assistance of Councilor McGee and Mayor Christopher.

Carl Beach noted he has a conflict on the 22nd and will not be able to attend the ceremony.

OTHER BUSINESS

Bill Quinn noted there are three vacancies on the Community Policing Committee and suggested these vacancies be filled before the November meeting. It was determined that October 29 or 30 would be a good dates. Each member shall let the staff liaison know which works best for him or her.

In addition, we discussed the reappointment process for volunteers. It was determined that if the volunteer has had good attendance and is interested in being reappointed, the reappointment should occur without an oral presentation.

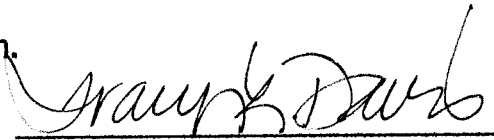

Kathie Beach distributed a letter from Alex Olson regarding the voting process used during the August meeting. Upon discussion of the issue, it was determined that the committee member could miss the presentation and still vote on the appointment. Because the oral presentation is not mandatory, selection could still be made by a review of the application. However, the committee member would be able to abstain from voting if they did not feel comfortable in doing so.

NEXT MEETING DATE

The next regular meeting date will be determined.
