Old Business/New Business

JoAnne shared info on the tourist map being put by the Keizer Chamber. It will include identified "points of interest". JoAnne also shared a packet of information for the Keizer Art walk. It is based on Wilsonville's model. Possibilities for grant money look positive.

Jerry reported on the 45th Parallel to be placed at the Willamette Valley Bank. The Urban Renewal Board was not interested in the project. Jerry presented the project to the Keizer City Council. The Council agreed to give up to 8,000 from Contingency Fund money to see the project completed.

Jan met with Jeanie Bond-Esser and Vickie Hilgemann for background information about the Wallace House. She reported that Vickie is watching very closely to be sure that nothing is disturbed in the area of the intended dig.

Jerry will talk to Ken about the geo-caching project.

Barbara, Jerry, and Terri all need to submit applications to the Volunteer Coordinating Committee due to the end of their terms of office on KPIC. Meeting to be held Oct.18, at 6:30

Barbara has met with John at Chemawa. He is interested in Marie Dorian, but can't provide any monetary support. The school doesn't have a shop to help with signage.

Barbara will share books and background material with him. Maybe students could help with research?

Jerry announced his resignation from the committee, effective immediately. It was accepted with much regret. Jerry has served as a very valuable member of the KPIC comm. A new chairperson will be chosen at the Nov.7 meeting.

JoAnne will E-mail copies of the minutes to Tracy, members of the comm., and Jason Cox of the "Keizer Times"

Respectfully submitted,
Terri Hoag
