City Council Work Session

- Parks Tour

September 19, 2022 – 7:00 p.m.

City Council Regular Session

October 3, 2022 – 7:00 p.m.

City Council Regular Session

14. ADJOURNMENT

City of Keizer, Oregon

Proclamation

WHEREAS, the theme for the 2022 Hispanic Heritage Month observance as announced by the National Council of Hispanic Employment Program Managers is: “Unidos: Inclusivity for a Stronger Nation;” and,

WHEREAS, the theme invites us to celebrate Hispanic Heritage and to reinforce the need to ensure diverse voices and perspectives are welcomed in decision-making processes, thereby helping to build stronger communities and a stronger Nation; and,

WHEREAS, Ms. Irene Matos Chan, a senior Information Technology manager in the Square Tech Computer Repair & Training Center for the Castle Square Tenants Organization submitted the winning theme, stating: "I am biracial and I wanted to represent my Hispanic culture and the Hispanic countries. I want people to connect to their Hispanic culture and show it and express it to their community. [The 2022 Hispanic Heritage Month poster] expresses that you should be proud of your race no matter what it is, and be proud to show it and represent it”; and,

WHEREAS, each year, Americans observe National Hispanic Heritage Month by celebrating the contributions and importance of Hispanics and Latinos to the United States and those community members whose ancestors came from Spain and Mexico, and nations in the Caribbean, Central America, and South America; and,

WHEREAS, we, the people of the city of Keizer, recognize and celebrate the contributions and achievements of our Hispanic and Latino community members to our city and region and we dedicate ourselves to working together to address the challenges that still face Hispanic Oregonians in equity and access to the prosperity of Oregon.

NOW, THEREFORE, I, Cathy Clark, Mayor of the City of Keizer, together with the Keizer City Council assembled in Regular Session, do hereby proclaim September 15 through October 15, 2022 as

HISPANIC HERITAGE MONTH

And encourage all the people of Keizer to join in this observance and celebration.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Keizer to be herein affixed this 6th day of September 2022.

MAYOR CATHY CLARK

City of Keizer, Oregon

Proclamation

WHEREAS, The Constitution of the United States of America embodies the foundational principles of limited government in a Republic dedicated to rule by law; and,

WHEREAS, September 17, 2022, marks the two hundred and thirty-fifth anniversary of the Constitutional Convention in 1787, at which the Constitution of the United States was written; and,

WHEREAS, it is fitting and proper to accord official recognition to this magnificent document upon its anniversary, and to read it to remember how our government was established and the freedoms it guaranteed; and,

WHEREAS, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17th through 23rd as Constitution Week.

NOW, THEREFORE, I, CATHY CLARK, Mayor of the City of Keizer, together with the Keizer City Council assembled in Regular Session, do hereby proclaim the week of September 17 through 23, 2022 as

CONSTITUTION WEEK

AND ask our citizens to reaffirm the ideals the Framers of the Constitution by being vigilant in protecting our liberty.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Keizer to be herein affixed this 6th day of September 2022.

MAYOR CATHY CLARK
City of Keizer, Oregon

CITY COUNCIL MEETING: SEPTEMBER 6, 2022

To: Mayor Clark and City Council Members

THRU: Adam J. Brown, City Manager

THRU: E. Shannon Johnson, City Attorney

SUBJECT: **REGULATION OF FIREWORKS ORDINANCE**

PROPOSED MOTION:

"I move that the Council direct the City Attorney to prepare the fireworks ordinance for Council adoption as discussed."

I. SUMMARY:

The Council directed our office to prepare a fireworks ordinance and schedule the matter for public hearing. That hearing is scheduled for tonight's meeting.

II. BACKGROUND:

- A. At the August 8, 2022 work session, Council directed staff to prepare a draft ordinance which would make the sale or use of illegal fireworks a municipal violation. In addition, the use of legal fireworks during a high fire risk period would be a violation. The Council also discussed the possibility of limiting the dates and times that legal fireworks could be used.
- B. The ordinance attached is in draft form only and is not designed for final adoption tonight. Here are some high points:
 - 1. The ordinance prohibits the sale, possession, use or exploding of illegal fireworks at any time.
 - 2. The ordinance prohibits the sale, possession, use or exploding of all fireworks, legal or illegal, at any time a National Weather Service "Red Flag Warning" is in effect. A Red Flag Warning indicates high fire risk.
 - 3. In the draft ordinance, I suggested minimum, presumed and maximum fines for discussion purposes. Higher amounts were discussed at the work session;

Council is free to determine appropriate amounts as Council sees fit. However, a maximum fine of \$500 is provided in most of the City Ordinances.

4. There is a “blank” section for possible time restrictions for use of legal fireworks because I was not sure where the Council landed on that issue. On a practical note, police response for this type of violation may receive a lower priority in relation to other types of incidents.

III. **CURRENT SITUATION:**

- A. Fireworks use is negatively impacting livability for City residents. It affects veterans suffering from post-traumatic stress disorder, it causes distress for many pets, and it is disturbing for all types of residents.
- B. Current tools to deal with the problem are limited to criminal offenses or State Fire Marshall violations. Neither of those remedies have been useful tools in addressing the problem.
- C. The Police Chief has indicated that a local ordinance that creates a municipal violation could be useful to mitigate the problem. Such violations could be cited into municipal court.

IV. **ANALYSIS:**

- A. **Strategic Impact** – None
- B. **Financial** – None
- C. **Timing** – Addressing this issue now will give time to educate the public before the New Year’s Eve or July 4th holidays.
- D. **Policy/legal** – Providing a livability community is something that the City should strive to do. The addition of a municipal violation option provides a useful tool to address this problem.

ALTERNATIVES:

- A. The recommended alternative is to direct our office to prepare an ordinance for final Council consideration unless Council discussion or public testimony indicates otherwise.
- B. Direct staff to look at other solutions such as education-only campaigns or additional ways to use existing remedies.
- C. Take no action. This alternative would likely result in continual livability impacts on the community.

RECOMMENDATION:

Staff recommends that you open the public hearing and take testimony. If there are no further questions, close the hearing and adopt a motion directing the City Attorney to prepare a final ordinance for adoption.

ATTACHMENTS:

- Draft Ordinance 2022-_____

A BILL

ORDINANCE NO.
2022-_____

FOR

AN ORDINANCE

RELATING TO THE REGULATION OF
FIREWORKS WITHIN THE CITY OF KEIZER

WHEREAS, the Keizer City Council has authority to exercise police powers with the City, including the regulation of fireworks;

WHEREAS, ORS 480.160 further authorizes cities to adopt regulations around fireworks;

WHEREAS, fireworks, especially those fireworks already illegal under state law, negatively impact livability, creating significant noise which affects the City's residents and pets;

WHEREAS, the National Weather Service periodically issues "Red Flag Warnings," for times in which fire danger is deemed to be particularly dangerous and is based on drought conditions, high temperatures, low relative humidity, high or erratic winds, and dry vegetation and fuel;

WHEREAS, during periods for which a Red Flag Warning is in effect, the use of any firework, including those otherwise legal under Oregon law, creates an increased fire hazard;

1 WHEREAS, Oregon law currently prohibits the sale, use, or discharge of any
 2 fireworks unless specifically allowed under ORS 480.120 to ORS 480.124; however,
 3 enforcement is often difficult and these cases are not a high priority for prosecution;

4 WHEREAS, in order to further deter the use of illegal fireworks, and to allow
 5 City officials the ability to enforce firework regulations in municipal court and impose
 6 civil penalties, the City Council finds it is appropriate to enact municipal regulation of
 7 the sale, use, or discharge of these illegal fireworks;

8 WHEREAS, in order to reduce the risk of a dangerous fire, the City Council finds
 9 it is appropriate to prohibit the use and sale of all fireworks during Red Flag Warning
 10 periods;

11 Now, therefore, the City of Keizer ordains as follows:

12 Section 1. DEFINITIONS.

- 13 A. "Fireworks" has the meaning as defined in ORS 480.111.
 14 B. "Person" means an individual or business entity.
 15 C. "Red Flag Warning" means the warning issued by the National Weather
 16 Service indicating extreme fire danger as a result of conditions such as
 17 drought, high temperature, low humidity, high or erratic winds, and dry
 18 vegetation and fuel.

19 ///

20 ///

1 Section 2. ILLEGAL FIREWORKS PROHIBITED.

2 A. Unless authorized pursuant to ORS 480.120 to ORS 480.124, a person is
3 prohibited from selling, keeping or offering for sale, exposing for sale, possessing,
4 using, exploding, or having exploded any fireworks within the City of Keizer, or
5 allowing such conduct to occur.

6 B. A person commits the offense of allowing conduct under Subsection A of
7 this Section if the person authorizes or permits such conduct to occur on real property
8 that they own or control. A rebuttable presumption exists that the owner or tenant has
9 authorized or permitted the conduct if the owner or tenant is present at the time of such
10 conduct.

11 C. Violation of this Section is punishable by a minimum fine of \$300, a
12 presumptive fine of \$400 and a maximum fine of \$500.

13 Section 3. TEMPORARY PROHIBITIONS DURING EXTREME FIRE
14 DANGER.

15 A. During times in which the City of Keizer is subject to a Red Flag Warning,
16 no person may sell, or offer for sale, expose for sale, use, explode or have exploded any
17 fireworks within the City of Keizer, or allow such conduct to occur.

18 B. A person commits the offense of allowing conduct under Subsection A of
19 this Section to occur if the person authorizes or permits such conduct. A rebuttable
20 presumption exists that the person who owns or controls the real property on which the

conduct occurs has authorized or permitted the conduct if that person is on the property at the time of such conduct.

C. Subsection A does not apply to persons authorized by a permit from the State Fire Marshal pursuant to ORS 480.130.

D. Violation of this Section is punishable by a minimum fine of \$300, a presumptive fine of \$400, and a maximum fine of \$500.

Section 4. [Possible time restrictions on legal fireworks.]

Section 5. SEVERABILITY. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional, or is denied acknowledgment by any court or board of competent jurisdiction, then such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

CITY COUNCIL MEETING: SEPTEMBER 6, 2022

To: Mayor Clark and City Council Members

THRU: Adam J. Brown, City Manager

FROM: Tim Wood, Finance Director

SUBJECT: **EXEMPTION OF THE BRAND NAME SPECIFICATIONS PURCHASE OF GOODS FROM COMPETITIVE BIDDING**

PROPOSED MOTION:

"I move the City Council adopt Resolution R2022-___ Exemption of the Brand Name Specifications Purchase of Goods from Competitive Bidding and Purchasing TriCaster Brand Name Equipment for Production Studio."

I. SUMMARY:

The City would like to upgrade the K23 production studio equipment by replacing the existing TriCaster 460 purchased in 2014 with a TriCaster 1 Pro 2RU. The TriCaster 1 Pro 2RU will increase the City's ability to record, switch, edit, route and stream public, education and government (PEG) content.

II. BACKGROUND:

- A. The City purchased the existing TriCaster 460 in 2014 using PEG funds.
- B. The City's production studio is built to be compatible with the TriCaster platform.
- C. Ordinance No. 2005-519 sets forth a process for exemption of brand name specifications purchase of goods.
- D. A public hearing has been set for tonight's meeting to consider the matter.

III. **CURRENT SITUATION:**

- A. The existing TriCaster 460 is reaching the end of its useful life as the result of years in service and more importantly technological obsolescence.
- B. The existing TriCaster 460 has limited the City's ability to effectively support the live stream of hybrid meetings during the COVID-19 pandemic due to limited input/output connections.
- C. The City would like to retain the existing production studio equipment that is compatible with the TriCaster platform.
- D. An exemption to the solicitation process is needed pursuant to Ordinance No. 2005-519.

IV. **ANALYSIS:**

- A. **Strategic Impact** – The TriCaster 1 Pro 2 RU will enhance the City's ability to record, switch, edit, route and stream information to K23 and social media.
- B. **Financial** – The financial impact of this request is \$22,095 and included in the 2022-23 City of Keizer Adopted Budget for the PEG Fund.
- C. **Timing** – The informal solicitation process should begin as soon as possible to allow the installation of the equipment to be completed in a timely manner.
- D. **Policy/legal** – Ordinance No. 2005-519 requires an exemption process if the City desires to use a brand name specification purchase of goods.

ALTERNATIVES:

- A. The City could continue to use the existing TriCaster 460 for the near future.
- B. The City could move away from the TriCaster specific brand which would require an additional investment in the production studio equipment to ensure all of the components are compatible.
- C. The City can move forward with the brand name specific exemption and acquire the TriCaster TC1 Pro 2RU.

RECOMMENDATION:

Staff recommends that the City Council open the public hearing and take testimony. If you have no questions, close the public hearing and if there are no valid objections, adopt the attached

Resolution exempting the brand name specification purchase of goods from competitive bidding and purchase TriCaster brand name equipment for the Production Studio.

ATTACHMENTS:

- Resolution R2022-____

CITY COUNCIL, CITY OF KEIZER, STATE OF OREGON

Resolution R2022-_____

EXEMPTION OF THE BRAND NAME SPECIFICATIONS
PURCHASE OF GOODS FROM COMPETITIVE
BIDDING AND PURCHASING TRICASTER BRAND
NAME EQUIPMENT FOR PRODUCTION STUDIO

WHEREAS, the City is currently using TriCaster equipment at the City of
Keizer production studio;

WHEREAS, the City would like to replace the current TriCaster for the
production studio;

WHEREAS, many vendors work with TriCaster equipment and staff plans on
issuing an informal solicitation upon exemption of the TriCaster brand name
equipment;

WHEREAS, as contract review board for the City of Keizer, the City Council
desires to exempt from competition and authorize the purchase of TriCaster brand
name equipment;

WHEREAS, notice of public hearing on the proposed exemption of competitive
public bidding requirements (brand name specification-TriCaster materials for City of
Keizer Production Studio) was published as required by Ordinance No. 2005-519;

WHEREAS, a public hearing was held to take comments on the findings for an
exemption of the purchase of TriCaster brand name specifications materials for the
City of Keizer production studio;

1 NOW, THEREFORE,

2 BE IT RESOLVED by the City Council of the City of Keizer that the City of
3 Keizer makes the following findings:

4 1. Exemption from competitive bidding for the purchase of TriCaster brand
5 name specifications materials for the City of Keizer production studio is requested.
6 The City has made an investment into the TriCaster brand name equipment and it has
7 been determined that the current TriCaster is failing and needs to be replaced with the
8 same brand of equipment. This was done for the following:

9 a. with the same brand name, the procedure to integrate systems and
10 migrate software is similar or the same and thereby less downtime is necessary;

11 b. the entire system will not need to be replaced; and

12 c. training of City staff on the new equipment is much quicker and easier,
13 and staff can become more familiar with the equipment.

14 2. The TriCaster equipment is planned to build on the current system and
15 replace aging and unsupported equipment for the City of Keizer production studio.
16 Following the exemption of brand name equipment, staff anticipates issuing an
17 informal solicitation to obtain the best price for replacement TriCaster equipment.

18
19 ///

20 ///

21 ///

1 3. TriCaster equipment is currently being used in the City of Keizer
2 production studio. By using TriCaster brand name equipment to replace failing and
3 unsupported equipment, training of City staff will be kept to a minimum and make
4 service calls, if needed, simpler, and the need for replacement of the entire system
5 unnecessary. Each of these reasons supports a performance of public benefit.

6 4. It is unlikely that the exemption from the competitive bidding process
7 for the purchase of the TriCaster brand name equipment for the City of Keizer
8 production studio will encourage favoritism in the awarding of the bid or substantially
9 diminish competition for public bidding because an information solicitation process
10 will be used for the brand name equipment.

11 5. The exemption of this purchase from competitive public bidding
12 requirements will result in substantial costs savings to the City of Keizer as the need
13 to replace the entire system will be unnecessary.

14 6. It is necessary to begin the solicitation process as soon as possible to
15 allow the installation of the equipment to be completed in a timely manner. It is
16 estimated that the installation will be accomplished during the 2022/2023 fiscal year.

17 BE IT FURTHER RESOLVED by the City Council of the City of Keizer that
18 the Council approves the findings set forth above.

19 ///

20 ///

1 BE IT FURTHER RESOLVED by the City Council of the City of Keizer that
 2 the purchase of TriCaster brand name equipment for the City of Keizer production
 3 studio is exempt from competitive bidding requirements based upon the findings set
 4 forth herein.

5 BE IT FURTHER RESOLVED that the Information Technology Department
 6 of the City of Keizer is authorized to issue an informal solicitation for TriCaster brand
 7 name equipment.

8 BE IT FURTHER RESOLVED that this Resolution shall take effect
 9 immediately upon the date of its passage.

10 PASSED this _____ day of _____, 2022.

CITY COUNCIL MEETING: SEPTEMBER 6, 2022

To: Mayor Clark and City Council Members

FROM: Adam J. Brown, City Manager

SUBJECT: **EXEMPTION OF CONSULTING SERVICES AGREEMENT FOR
STRATEGIC PLANNING SERVICES FROM COMPETITIVE BIDDING**

PROPOSED MOTION:

"I move the City Council adopt Resolution R2022-___ Exemption of Consulting Services Agreement for Strategic Planning Services from Competitive Bidding and Awarding Agreement to SSW Consulting LLC."

I. SUMMARY:

The Council does not currently have a strategic plan. We are, however, operating off of long-term and short-term council goals which staff and council have made good progress towards. We would like to bring on a consultant to facilitate this planning effort, which would engage the community and staffing prior to meeting with the City Council. A public hearing is scheduled for this meeting to consider a bidding exemption to hire the consultant.

II. BACKGROUND: The City Council has done some planning and accomplished collective goals.

- A. The Council established **long-term goals** which are as follows:
 - 1. Sidewalk gap and repair program
 - 2. Water Master Plan Update
 - a. Water Main Replacements
 - 3. Transportation System Plan Update
 - a. Grant cycle funding
 - 4. UGB Studies
 - 5. River Cherry Overlay District **[Finished]**
 - a. Funding Opportunities to spur development and redevelopment.

- B. The council established **short-term goals** which are as follows:
 - 1. Parks Master Plan Update **[Finished]**
 - 2. Water Rate Structure Study
 - 3. UGB Studies and Next Steps
 - a. Housing
 - b. Employment
 - c. Transportation
 - d. Considerations in Decision Making
 - 4. Emergency Preparedness Update **[In progress]**
 - 5. City Ordinance Codification **[Negotiating Contract to Award]**
- C. The council has a **work plan** which is as follows:
 - 1. Parks Master Plan Update and Parks Projects **[Finished]**
 - a. Community Outreach
 - 2. Community Diversity Engagement **[Established]**
 - 3. Council Rules and Procedures Update **[Finished]**
 - 4. Volunteer Committee Training **[Finished]**
 - 5. Recruit and Hire Permanent City Manager **[Finished]**
 - 6. Housing Disparity and Barriers to Home Ownership in Keizer.
- D. Many of the items on our short-term, long-term, and workplan are finished or in process. Some are waiting on grant cycles, and it unclear that some are needed yet such as the Water Master Plan.

III. CURRENT SITUATION:

- A. The Council has made great progress in having plans and carrying them out as demonstrated in the background information. Since many of those items are finished or in process, timing is ideal to look out again toward the future.
- B. Staff recommends the council have a 5-year strategic plan to guide staff decision making. Having a strategic plan allows us to direct our budget to the City Council's priorities.
- C. I have found that an outside facilitator is highly effective bringing councils together with input from staff and the public together towards a common plan. Staff has identified an effective facilitator and is requesting a agreement for services be awarded to SSW Consulting for Strategic Planning Services. Sara Wilson is a skilled and experienced facilitator for local government strategic planning.
- D. The services include planning meetings, ongoing project management, project coordination, outreach and engagement of the public, and creating and producing deliverables.

IV. ANALYSIS:

- A. **Strategic Impact** – This action will create the strategic plan by which all other council items will be judged.
- B. **Financial** – The financial impact of this request is \$38,850. The City had designated \$300,000 toward strategic planning. Residual budget funds can be used towards strategic plan objectives.
- C. **Timing** – Staff would prefer that we finish our strategic planning prior to development of the budget so that it can serve as a guide for budget formulation.
- D. **Policy/legal** – Ordinance No. 2005-519 requires an exemption process if the City is unable to perform the solicitation process recommended.

ALTERNATIVES:

- A. The recommended action is to close the public hearing and if there are no valid objections, adopt the attached Resolution exempting the consulting services agreement for strategic planning services from competitive bidding and awarding agreement to SSW Consulting LLC.
- B. Put out an open request for qualifications for strategic planning consulting services. This option would take much longer and would require additional staff resources.
- C. Take No Action – If the council does not wish to move forward with strategic planning, it could simply take no action.

RECOMMENDATION:

Staff recommends that the City Council open the public hearing and take testimony. If you have no questions, close the public hearing and if there are no valid objections, adopt the attached Resolution exempting the consulting services agreement for strategic planning services from competitive bidding and awarding agreement to SSW Consulting LLC.

ATTACHMENTS:

- Resolution R2022-____

CITY COUNCIL, CITY OF KEIZER, STATE OF OREGON

Resolution R2022-_____

EXEMPTION OF CONSULTING SERVICES AGREEMENT
FOR STRATEGIC PLANNING SERVICES FROM
COMPETITIVE BIDDING AND AWARDDING AGREEMENT
TO SSW CONSULTING LLC

WHEREAS, as local contract review board for the City of Keizer, the City Council desires to exempt from competition and award an agreement to SSW Consulting, LLC;

WHEREAS, notice of public hearing on the proposed exemption of the Consulting Services Agreement was published as required by Ordinance No. 2005-519;

WHEREAS, a public hearing was held to take comments on the findings for an exemption of the Consulting Services Agreement for strategic planning services for the City of Keizer;

NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of Keizer that the City of Keizer makes the following findings:

1. The nature of the contract for which special exemption is requested is the awarding of the Consulting Services Agreement for strategic planning services to SSW Consulting, LLC.

1 2. While serving on panels, the City Manager observed SSW Consulting's
2 skills and ability to bring people together. Many colleagues of the City Manager have
3 used SSW Consulting, LLC to moderate strategic planning efforts and spoke very
4 highly of it to work with elected bodies. Because the City Council wanted to have a
5 strategic plan, the City Manager reached out to SSW Consulting and requested a
6 proposal. The proposal meets the needs of the City Council and will assist staff in
7 supporting the Council's goal setting.

8 3. In response to a preliminary inquiry from SSW Consulting, LLC, SSW
9 Consulting indicated it would enter into the Consulting Services Agreement for an
10 amount not to exceed \$38,850.00. Exempting the Consulting Services Agreement
11 from competitive bidding will avoid delays and the additional expense of bidding.

12 4. It is unlikely that exemption of the Consulting Services Agreement for
13 strategic planning services to SSW Consulting, LLC from the competitive bidding is
14 unlikely to encourage favoritism in the awarding of the bid or substantially diminish
15 competition for public bidding.

16 5. The proposal is to have this project be exempt from alternative
17 contracting methods and directly award the agreement to SSW Consulting, LLC.

18 6. It is necessary to enter into the Consulting Services Agreement as soon
19 as possible to be able to have a strategic plan prepared by the next budget season. The
20 estimated date by which it would be necessary to let the agreement in this case is

1 September 7, 2022 which allows approximately six months to develop a strategic plan
2 for the City of Keizer.

3 BE IT FURTHER RESOLVED by the City Council of the City of Keizer that
4 the Council approves the findings set forth above.

5 BE IT FURTHER RESOLVED by the City Council of the City of Keizer that
6 the awarding of the Consulting Services Agreement for strategic planning services to
7 SSW Consulting, LLC is exempt from competitive bidding requirements based upon
8 the findings set forth herein.

9 BE IT FURTHER RESOLVED that the City Manager of the City of Keizer is
10 authorized to enter into a Consulting Services Agreement with SSW Consulting, LLC
11 and that the fees be paid from the American Rescue Plan Act (ARPA) Fund.

12 BE IT FURTHER RESOLVED that this Resolution shall take effect
13 immediately upon the date of its passage.

CITY COUNCIL MEETING: SEPTEMBER 6, 2022

To: Mayor Clark and City Council Members

FROM: Adam J. Brown, City Manager

SUBJECT: **EXEMPTION OF AGREEMENT FOR BUILDING HIGH PERFORMANCE ORGANIZATIONS FROM COMPETITIVE BIDDING**

PROPOSED MOTION:

"I move the City Council adopt Resolution R2022-____ Exemption of Agreement for Building High Performance Organizations from Competitive Bidding and Awarding Agreement to Commonwealth Centers for High Performance Organizations."

I. SUMMARY:

The City Council allocated money in the American Rescue Plan Act for staff development and learning. Our city leadership team (Department Heads) would like to be able to offer the same training to all employees consistent with the training they have received with the City Manager. We have a proposal to move all employees through this training in three 3-day workshops

II. BACKGROUND:

- A. I have followed the Commonwealth Centers for High Performance (CCHPO) for the last twenty years and I have implemented this philosophy from the ground up in two other municipalities. We have a rare opportunity to accelerate employee learning and development through the use of one-time ARPA funding to teach all the employees the same principles and practices of high-performance organizations. CCHPO is the originator of this framework of which much has been copyrighted in their book *Building High-Performance Local Governments*.
- B. We commonly refer to this framework as HPO, but the reality is that it is a collection of the best things we know about how successful businesses and organizations perform at the high levels. The Commonwealth Centers for High Performance Organizations have worked with thousands of municipalities, state

government agencies, and federal agencies for over 40 years. It's based on the idea that all employees need to be engaged in the work to perform at the highest levels. With our tax rate fixed, it's so important to capitalize on every employee that we have.

- C. A common seminar is designed to have 36 participants. With the size of our organization we could feasibly get every employee trained with three sessions. I have personally worked for this trainer and can attest to his skill.

III. **CURRENT SITUATION:**

- A. We have tentatively set aside October 18th through- 20th for the first cohort of employees pending approval by the city council to move forward. We would like to have another cohort before the end of the year, or if that does not work, the next two cohorts would be in the winter/spring time period.
- B. It is not often when you get the opportunity to be able to provide the entire staff with the same training. Organizational development typically takes 5-7 years to enact change. With the ARPA money set aside we will be able to train all employees which will give us great momentum to move forward.

IV. **ANALYSIS:**

- A. **Strategic Impact** – None.
- B. **Financial** – The financial impact of this request is \$75,000. Each cohort seminar fee is \$14,215. Additional costs will be for travel and lodging for the trainer and food for attendees. The council's ARPA budget includes \$160,000 for leadership training. We will not be using all of that budget.
- C. **Timing** – Approval of the agreement for services is needed to move forward with the first cohort of training in October.
- D. **Policy/legal** – Ordinance No. 2005-519 requires an exemption process if the City is unable to perform the solicitation process recommended.

ALTERNATIVES:

- A. Staff recommends that the City Council open the public hearing and take testimony. If you have no questions, close the public hearing and if there are no valid objections, adopt the attached Resolution exempting the agreement for building high performance organizations from competitive bidding and awarding agreement to Commonwealth Center for High Performance Organizations.

- B. Take No Action – Without action to take testimony, close the public hearing, and award an agreement, we will not be able to go forward with these trainers. We would be solely reliant on my experience and teaching capabilities to all of the staff. While this is possible, it would not be as effective as having the authors and source of this content conduct the trainings themselves

RECOMMENDATION:

Staff recommends that the City Council open the public hearing and take testimony. If you have no questions, close the public hearing and if there are no valid objections, adopt the attached Resolution exempting the agreement for building high performance organizations from competitive bidding and awarding agreement to Commonwealth Center for High Performance Organizations.

- Resolution R2022-____

CITY COUNCIL, CITY OF KEIZER, STATE OF OREGON

Resolution R2022-_____

EXEMPTION OF AGREEMENT FOR BUILDING HIGH
PERFORMANCE ORGANIZATIONS FROM COMPETITIVE
BIDDING AND AWARDED AGREEMENT TO
COMMONWEALTH CENTERS FOR HIGH PERFORMANCE
ORGANIZATIONS

WHEREAS, as local contract review board for the City of Keizer, the City Council desires to exempt from competition and award an agreement with Commonwealth Centers for High Performance Organizations;

WHEREAS, notice of public hearing on the proposed exemption of the Agreement was published as required by Ordinance No. 2005-519;

WHEREAS, a public hearing was held to take comments on the findings for an exemption of the Agreement for building high performance organizations;

NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of Keizer that the City of Keizer makes the following findings:

1. The nature of the contract for which special exemption is requested is the awarding of the Agreement for building high performance organizations to Commonwealth Centers for High Performance Organizations (CCHPO).

2. The organizational development put together by the CCHPO has been used by the US Senior Executive Service going back to the 1980's. The training has

1 been kept relevant by continuously incorporating contemporary leadership and
2 management practices. This program is one of a select few leadership programs
3 endorsed by the International City/County Managers Association and the Keizer City
4 Manager has been working with the trainers for the last 18 years so is familiar with the
5 style and results of the training.

6 3. In response to a preliminary inquiry from CCHPO, CCHPO indicated it
7 would enter into the Agreement for three separate trainings in an amount of \$14,215
8 each, plus reimbursement for all travel, lodging and per diem expenses. In addition,
9 the City would also be responsible for providing the seminar location, meals for
10 participants, purchase of books, and reproduction and distribution of materials. The
11 total estimated cost for all three sessions is \$75,000. Exempting the Agreement from
12 competitive bidding will avoid delays and the additional expense of bidding.

13 4. It is unlikely that exemption of the Agreement for building high
14 performance organizations to CCHPO from the competitive bidding is unlikely to
15 encourage favoritism in the awarding of the bid or substantially diminish competition
16 for public bidding.

17 5. The proposal is to have this project be exempt from alternative
18 contracting methods and directly award the agreement to CCHPO.

19 6. It is necessary to enter into the Agreement as soon as possible to be able
20 to begin training soon. The estimated date by which it would be necessary to let the
21 agreement in this case is September 7, 2022 which allows approximately three months

1 to train staff of the City of Keizer. The goal is to complete the training by the end of
2 2022 if possible.

3 BE IT FURTHER RESOLVED by the City Council of the City of Keizer that
4 the Council approves the findings set forth above.

5 BE IT FURTHER RESOLVED by the City Council of the City of Keizer that
6 the awarding of the Agreement for building high performance organizations to
7 Commonwealth Centers for High Performance Organizations is exempt from
8 competitive bidding requirements based upon the findings set forth herein.

9 BE IT FURTHER RESOLVED that the City Manager of the City of Keizer is
10 authorized to enter into the Agreement with Commonwealth Centers for High
11 Performance Organizations.

12 BE IT FURTHER RESOLVED that this Resolution shall take effect
13 immediately upon the date of its passage.

CITY COUNCIL MEETING: Tuesday September 6, 2022

TO: MAYOR CLARK AND CITY COUNCIL MEMBERS

THROUGH: Adam J. Brown, City Manager

FROM: Bill Lawyer, Public Works Director

SUBJECT: **WEST KEIZER NEIGHBORHOOD ASSOCIATION TRAFFIC CALMING REQUESTS**

PROPOSED MOTION:

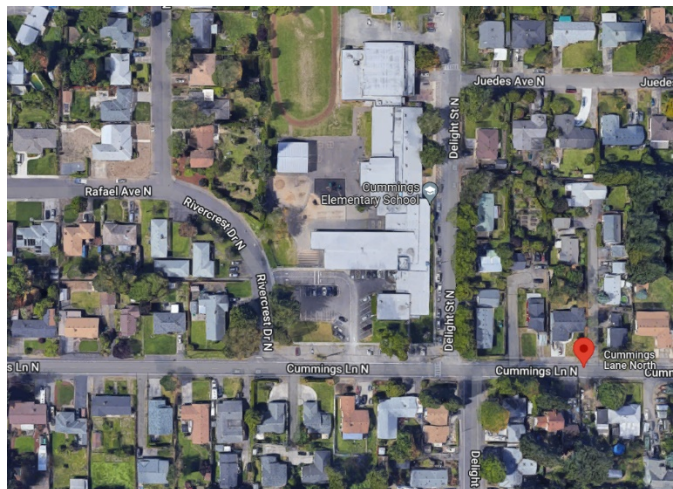

I recommend the City Council consider the matter and direct staff accordingly.

I. SUMMARY:

The West Keizer Neighborhood Association (WKNA) requested through the Neighborhood Traffic Management Program, the installation of a speed table be approved on Cummings Lane N near Cumming Elementary School and the intersection of Shoreline Drive N and Dearborn Avenue N be converted to a 4 way stop intersection.

II. BACKGROUND:

- A. The WKNA has expressed concerns regarding speeding and pedestrian safety on Cummings Lane N near Cummings Elementary School. Staff performed volume and speed studies on Cummings Lane and requested DKS Associates, a traffic engineering firm, to evaluate the results and provide a recommendation to the Public Works Director. The evaluation and recommendation by DKS Associates is to not install speed humps on Cummings Lane primarily due to the designation as a primary emergency vehicle route by the Keizer Fire District.

- B. DKS Associates also evaluated traffic volume and speed studies performed by city staff, as well as additional studies performed by DKS Associates, to determine if converting the Shoreline Drive/Dearborn Avenue intersection to a 4-way stop was warranted. The results of the evaluation by DKS Associates, based on the studies performed and evaluated, is that the 4-way stop is not warranted.

III. CURRENT SITUATION:

- A. Cummings Lane is designated as a Collector street and is constructed as a turnpike section street with no curb and gutter or sidewalks. The current posted speed limit is 25mph.
- B. Shoreline Drive is designated as a Collector street and is constructed to full urban standards with curbs and sidewalks on both sides of the street. Dearborn Avenue is designated as a Collector street east of Shoreline Dr. and a Local street west of Shoreline Dr. Dearborn Ave. and is also constructed to full urban standards. This intersection currently has stop signs for both eastbound and westbound traffic on Dearborn Ave.

IV. ANALYSIS:

- A. Strategic Impact – N/A.
- B. Financial – The financial impact of this request is unknown at this time and will depend on the direction the City Council provides to staff.
- C. Timing – N/A.
- D. Policy/legal – Based on the recommendations by the traffic engineer the City Council should direct staff on what actions they would like to take regarding these requests.

ALTERNATIVES:

- A. Follow the recommendation of the traffic engineer.
- B. Direct staff to install a speed hump on Cummings Lane near Cummings Elementary School.
- C. Direct staff to convert the intersection of Shoreline Dr. N and Dearborn Ave. N to a 4 way stop.
- D. Take no action.

RECOMMENDATION:

Staff recommends that the City Council consider these requests, review the analysis memorandum provided by DKS Associates and direct staff accordingly.

ANALYSIS MEMORANDUM

DATE: July 28, 2022

TO: Bill Lawyer | City of Keizer

FROM: Scott Mansur, PE, PTOE | DKS Associates
Jenna Bogert, PE | DKS Associates

SUBJECT: City of Keizer Cummings Lane Evaluation Memo P22120-000

This memo summarizes transportation findings related to citizen requests for 1) the installation of speed tables on Cummings Lane and 2) the installation of an all-way stop-control (AWSC) at the Shoreline Drive/Dearborn Avenue intersection in Keizer, Oregon.

CUMMINGS LANE SPEED TABLE ANALYSIS

DKS performed an evaluation of whether the installation of speed tables on Cummings Lane was applicable based on national guidance. DKS reviewed national and local guidance provided by the following agencies:

- Federal Highway Administration (FHWA)¹
- National Association of City Transportation Officials (NACTO)²
- Tualatin Valley Fire & Rescue (TVF&R) Neighborhood Traffic Calming Plan³

Cummings Lane is two-lane roadway with bike lanes and no curb/sidewalk, 25 mph posted speed, and is classified as a Collector.⁴ It is designated as a primary emergency vehicle response route by the Keizer Fire District due to its Collector classification and connectivity to the adjacent neighborhoods.

¹ FHWA Traffic Calming ePrimer, Module 3: Toolbox of Individual Traffic Calming Measures

² NACTO Urban Street Design Guide

³ TVFR Traffic Calming Measures, Updated June 2019

⁴ City of Keizer Transportation System Plan, Revised June 2014

Two speed studies were conducted on Cummings Lane by the Keizer Police Department in November 2021 and May 2022. The speed and volume data from both studies are summarized below in Table 1.

TABLE 1: CUMMINGS LANE SPEED DATA

LOCATION	AVERAGE SPEED	85TH PERCENTILE SPEED	VEHICLES OVER 25 MPH SPEED LIMIT	AVERAGE WEEKDAY VOLUME
500 CUMMINGS LN^A	24 MPH	30 MPH	40%	5,036
721 CUMMINGS LN^B	24 MPH	30 MPH	48%	2,333

^A Speed data collected Wednesday 11/3/2021 12:01 PM – Saturday 11/6/2021 5:40 PM

^B Speed data collected Tuesday 5/31/2022 10:16 AM – Saturday 6/4/2022 12:30 AM

As can be seen in the table above, the traffic on Cummings Lane was observed to have been traveling approximately 5 mph above the posted speed limit which is typical and consistent with the street design speed.

A speed table is a vertically raised area placed across the roadway designed to limit or reduce the speed at which a vehicle can drive across the roadway. The vertical deflection encourages slower speeds, however, it will reduce emergency response times as well.

FHWA recommends that speed humps are generally not appropriate for a street that is designated as a primary emergency vehicle route such as Cummings Lane. Similarly, TVF&R's Traffic Calming Policy (TVF&R provides emergency services to Tigard, Newberg, Wilsonville, Hillsboro, Tualatin West Linn, and Sherwood) also states that the installation of speed humps is not supported on primary or secondary emergency vehicle routes.

Due to Cummings Lane being designed as a primary emergency vehicle route by the Keizer Fire District, DKS does not recommended speed humps be installed on Cummings Lane. This will assure emergency response times are not impacted to the adjacent neighborhoods.

SHORELINE DR./DEARBORN AVE. AWSC ANALYSIS

DKS performed an all-way stop control (AWSC) evaluation at the intersection of Shoreline Drive N & Dearborn Avenue N. The purpose of this analysis is to determine whether criteria set forth by the FHWA in the Manual on Uniform Traffic Control Devices (MUTCD)⁵ justifies installation.

Shoreline Drive is a two-lane street with sidewalks and is classified as a Collector. Dearborn Avenue is a two-lane street with sidewalks and is classified as a Collector to the east of the intersection and a Local Road to the west. Both roads have a posted speed limit of 25 miles per hour. The intersection of Shoreline Drive N & Dearborn Avenue N currently has stop control on the Dearborn Avenue approaches with Shoreline Drive being uncontrolled.

FHWA recommends multi-way stop applications only if certain traffic conditions exist. The primary safety concern associated with multi-way stop control is drivers, pedestrians, and bicyclists expecting other road users to stop. Multi-way stop control may be used where the volume of traffic on the intersecting roads is approximately equal. If multi-way stop control is installed at locations where these volumes do not meet the MUTCD criterial, driver compliance of the stop signs can be low and safety issues may arise. The MUTCD provides the following criteria to be considered for a multi-way stop application:

- A. *Where traffic control signals are justified, the multi-way stop is an interim measure that can be installed quickly to control traffic while arrangements are being made for the installation of the traffic control signal.*
- B. *Five or more reported crashes in a 12-month period that are susceptible to correction by a multi-way stop installation. Such crashes include right-turn and left-turn collisions as well as right-angle collisions.*
- C. *Minimum volumes:*
 - 1. *The vehicular volume entering the intersection from the major street approaches (total of both approaches) averages at least 300 vehicles per hour for any 8 hours of an average day; and*
 - 2. *The combined vehicular, pedestrian, and bicycle volume entering the intersection from the minor street approaches (total of both approaches) averages at least 200 units per hour for the same 8 hours, with an average delay to minor-street vehicular traffic of at least 30 seconds per vehicle during the highest hour; but*
 - 3. *If the 85th-percentile approach speed of the major-street traffic exceeds 40 mph, the minimum vehicular volume warrants are 70 percent of the values provided in Items 1 and 2.*
- D. *Where no single criterion is satisfied, but where Criteria B, C.1, and C.2 are all satisfied to 80 percent of the minimum values. Criterion C.3 is excluded from this condition.*

⁵ FHWA Manual on Uniform Traffic Control Devices, 2009 Edition, Section 2B.07

A speed study was conducted on Shoreline Drive by the Keizer Police Department in May 2022. The volume data from this study is summarized in Table 2 below.

TABLE 2: SHORELINE DRIVE VOLUME AND SPEED DATA

LOCATION	AVERAGE SPEED	85TH PERCENTILE SPEED	VEHICLES OVER 25 MPH SPEED LIMIT	AVERAGE WEEKDAY VOLUME
SHORELINE DR N ^A	24 MPH	30 MPH	47%	2,833

^A Volume and speed data collected Tuesday 5/10/2022 12:02 PM – Tuesday 5/17/2022 12:00 PM via tube counts on the south leg of Shoreline Drive N at Dearborn Avenue N

As part of this engineering study, additional traffic volume counts were collected at the intersection on June 29, 2022, during the AM and PM peak periods. These counts included movement volumes for motorized vehicles, as well as heavy vehicle, bicycle, and pedestrian volumes. Using the volumes collected in the May 2022 speed study and peak hour volumes collected in June 2022, the total volumes for the AM and PM peak hours were determined. This data is summarized in Figure 1 below.

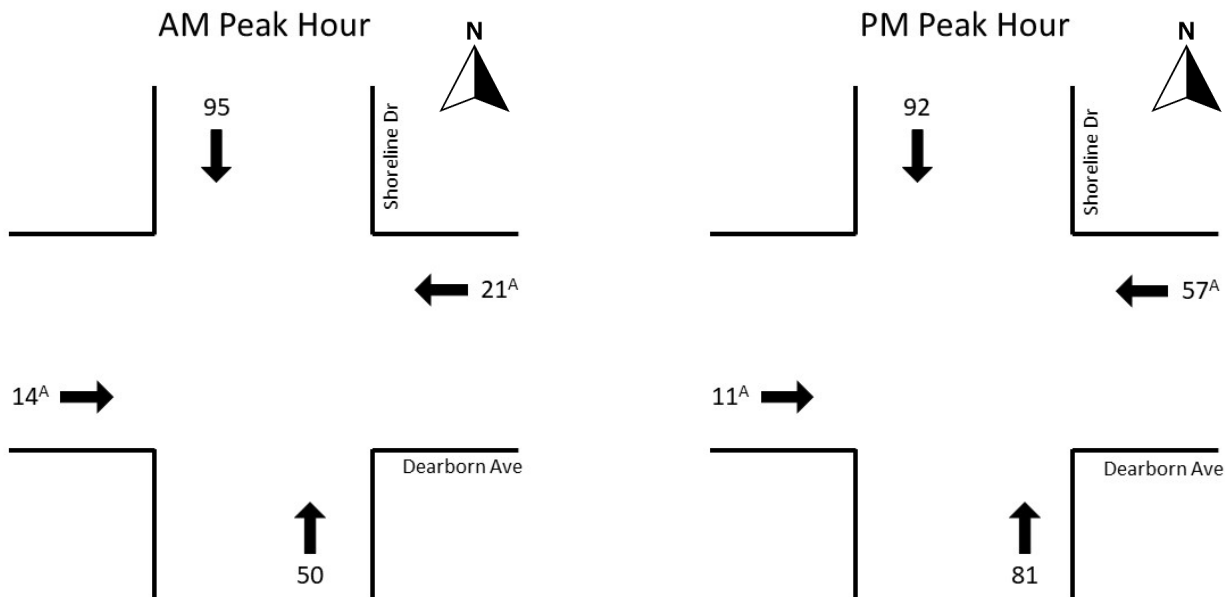

FIGURE 1: SHORELINE DRIVE/DEARBORN AVENUE PEAK HOUR VOLUME APPROACH DATA

^A Volumes on Dearborn Avenue are a combined total of motor vehicles, pedestrians, and bicyclists

Based on the peak hour volume data, Criteria C.1 and C.2 are not met, as the traffic volumes are significantly below the minimum volumes for these criteria. Criterion C.3 is not met, as the 85th-percentile speed is below 40 mph. Criteria B and D are not met, as there have been no reported crashes at the intersection in the past five years. As a result, an all-way stop application at the intersection of Shoreline Drive N & Dearborn Avenue N is not recommended.

Please let us know if you have any further questions.

CITY COUNCIL MEETING: SEPTEMBER 6, 2022

To: Mayor Clark and City Council Members

THRU: Adam J. Brown, City Manager

FROM: Tracy L. Davis, City Recorder/Community Center Manager

SUBJECT: **MARION COUNTY RE-ENTRY INITIATIVE BREAKFAST – COMMUNITY CENTER FEE WAIVER**

PROPOSED MOTION:

I move the City Council approve a waiver of the Community Center rental fee and Community Center refundable security deposit for the Marion County Re-Entry Initiative Breakfast event on October 27, 2022.

I. SUMMARY:

The Marion County Reentry Initiative (MCRI) program has requested a waiver of the rental fee and deposits for use of the Iris Ballroom in the Keizer Community Center for their community breakfast on Thursday, October 27, 2022. The event is free and open to the public. The mission of MCRI is to rebuild lives, promote community safety, and save taxpayer money. The program helps individuals who are reentering our community after incarceration. The MCRI program is funded through donations and sponsorships.

The rental rates for the Keizer Community Center provide a 20% discount for Keizer Governmental partners (i.e. Marion County). The rental rate for the Iris Ballroom for this event would be \$800 plus the refundable security/cleaning deposit of \$1500. Event staff costs of \$150 are included in the rental rate.

In the past, the City has waived all fees associated with this event. The MCRI program has been very successful in providing meaningful support to the people in the Keizer community. The City is proud to support this effort.

II. BACKGROUND:

- A. On August 17, 2022 Marion County Commissioner Kevin Cameron requested the City of Keizer sponsor this event by comping or reducing the fee for the facility.
- B. The City of Keizer has waived the rental fee and deposit for this event in the past.
- C. City Resolution R2018-2932 states the City Council may reduce or waive rates, deposits, or other costs for certain uses if, in the Council's sole discretion, the use is a significant benefit to the Keizer community considering such factors as the City's fixed and non-fixed costs, staff resources, wear and tear on the facility, and other factors deemed appropriate by Council.

III. CURRENT SITUATION:

- A. As of this date, no other requests for room reservations on this date have been received.

IV. ANALYSIS:

- A. **Strategic Impact** – This event is a significant benefit to the Keizer Community.
- B. **Financial** – The financial impact of this request is a reduction in rental income for the Community Center.
- C. **Timing** – Approval of this request will allow Marion County to move forward with organization of this event.
- D. **Policy/legal** – The City Council has the sole authority to grant fee waivers for use of the Community Center.

ALTERNATIVES:

- A. Approve a waiver of the Community Center rental fee of \$800 and the refundable security deposit of \$1,500.
- B. Deny the request for a waiver of the Community Center rental fee of \$800 and the refundable security deposit of \$1,500.

RECOMMENDATION:

Staff recommends the City Council approve a waiver of the Community Center rental fee and Community Center refundable security deposit for the Marion County Re-Entry Initiative Breakfast on October 27, 2022.

ATTACHMENTS:

- Email from Marion County Commissioner Kevin Cameron requesting the waiver of fees.
- Resolution 2018-2932 – Adopting Use Policies and Rates for the Keizer Community Center Rooms

Email from Marion County Commissioner Kevin Cameron**August 17, 2022**

Mayor Clark – Thank you so much for the support for the Marion Co Re-entry initiative over the past 14 years. As you know Covid has put a damper on so many in person events and it impacted our annual Breakfast that traditionally was in the fall. This year we had one in the spring and we have scheduled another on Thursday, October 27th at the Keizer Civic Center. We appreciate the support from the City of Keizer in sponsorship over the past few years and I would like request that the city would sponsor the October event by comping or at least reducing the fee for the facility.

Thank you in advance for the support. Please let us know if you need anything from us to consider this request?

My Best,
Kevin Cameron

CITY COUNCIL, CITY OF KEIZER, STATE OF OREGON

Resolution R2018- 2932ADOPTING USE POLICIES AND RATES FOR THE
KEIZER COMMUNITY CENTER ROOMS;
REPEALING RESOLUTION R2015-2612

WHEREAS, the City Council adopted policies for community use of city hall facilities in 1986;

WHEREAS, the adopted policies for community use of city hall facilities has been amended several times with the last revision taking place in 2015;

WHEREAS, the City Council adopted the current use rates for the Civic Center Community Rooms pursuant to Resolution R2015-2612;

WHEREAS, the City Council has reviewed the matter and finds that it is appropriate to amend the policies for the Community Center Rooms;

WHEREAS, the City Council desires to amend the Community Center Room policies;

NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of Keizer that the following policies for use of the Keizer Community Center Rooms and lobby are hereby adopted:

Alcohol Policies: The following regulations apply to the allowance, sale or consumption of alcoholic beverages in the Keizer Community Center Rooms and lobby:

- a. Only individuals twenty-one (21) years of age or older may consume alcohol in accordance with this policy.

- b. No person shall sell, give or otherwise make available any alcoholic beverage to a person under the age of 21 years.
- c. No person shall sell, give or otherwise make available any alcoholic beverage to any person who is visibly intoxicated.
- d. Alcoholic beverages are permitted only in the Community Rooms and the adjoining lobby areas. Alcoholic beverages are prohibited outdoors and in other areas of the building.
- e. Alcoholic beverages are allowed only in conjunction with a reserved event and only after written approval has been given by the City.
- f. Alcoholic beverages will be served only by a licensed and bonded server pursuant to all Oregon Liquor Control Commission laws and regulations.
- g. Alcoholic beverages will be served only when acceptable Oregon Liquor Control Commission documentation has been provided to the City.
- h. Caterer/server shall secure at its own expense General Liability Insurance with minimum limits of \$1,000,000.00 per occurrence and Liquor Liability Insurance with minimum limits of \$1,000,000.00 per occurrence. The insurance policy is to be issued by an insurance company authorized to do business in the State of Oregon. The City of Keizer shall be included as additional insured in said insurance policy. The "City of Keizer" includes its officers, agents, contractors, and employees. Evidence of the insurance and additional insured endorsement must be provided to City at least fourteen (14) days prior to the date of the event. As part of the event reservation process, the applicant and caterer/server shall agree to defend and indemnify the City, its employees, agents and contractors from any and all claims in connection with alcohol use on the premises.
- i. The City Manager may place reasonable conditions on the event to protect persons and property.

Insurance Policies: The following regulations apply to clients' rental of the Keizer Community Center Rooms and lobby:

- a. The client shall, at its sole cost and expense, procure and maintain through the term of the rental a Comprehensive General Liability insurance policy providing coverage against claims for bodily injury or death and property damage occurring in or upon or resulting from the facilities used hereunder in the amount of \$1,000,000. The Comprehensive General Liability Insurance required shall be issued by an insurance company authorized to do business in the State of Oregon. The City of Keizer shall be included as additional insured in said insurance policy. The "City of

Keizer" includes its officers, agents, contractors, and employees. Client must provide the City with the proof of the insurance and additional insured endorsement evidencing such insurance at least fourteen (14) days prior to the date of the contracted event. Failure to provide the proof of insurance and endorsement will result in cancellation of the event.

b. No insurance is required for non-alcoholic events when client is using one or two small rooms.

BE IT FURTHER RESOLVED by the City Council of the City of Keizer that the

following use rates are hereby established:

1. Base Use Rates. The following base use rates shall be charged for the Keizer Community Center Rooms:

- a. Small room (1,000 square feet) - \$25.00 per hour with a three hour minimum.
- b. Medium room (3,000 square feet) - \$100.00 per hour with a four hour minimum.
- c. Large ballroom (9,000 square feet) - \$250.00 per hour with an eight hour minimum.
- d. Keizer-based 501(c) organizations may host fundraiser activities using two Medium rooms or the Large ballroom for a base use fee of \$500.00. This fee shall include the use of the facility and amenities. The user will be responsible to pay all fees associated with required staffing. The use under this provision is limited to one (1) event per calendar year per Keizer-based 501(c) organization and is limited to a maximum of twelve (12) hours usage.
- e. Keizer residents and Keizer-based 501(c) non-profit organizations are entitled to a twenty-five percent (25%) discount on the base use rates outlined in 1(b) and 1(c) herein. (Small rooms are not discounted. Keizer residents' use is limited to personal, non-business use only, including, but not limited to birthday parties, anniversary parties, and baby showers.)
- f. Government and quasi-government entities, e.g., City of Salem, Marion County, State of Oregon, Salem-Keizer School District, Keizer Fire District, Salem-Keizer Transit District, Keizer Chamber of Commerce, League of Oregon Cities, Mid-Willamette Valley Council of Governments, are entitled to a twenty percent (20%) discount on the base use rates outlined in 1(b) and 1(c) herein. (Small rooms are not discounted.)

- g. City-hosted activities directly benefiting City operations are entitled to a fifty percent (50%) discount on the base use rates outlined in 1(b) subject to the following:
- i. Registration fees charged to participants shall total no more than the actual out-of-pocket costs of the event.
 - ii. This discount is only available for one or two medium rooms. The large ballroom and small room rates are not discounted.
 - iii. For Friday, Saturday or Sunday dates, the event may not be reserved more than six (6) months prior to the event.
 - iv. No alcohol is allowed for City hosted events. Insurance is not required.
- h. The above discounts are not transferrable.

2. Exempt Uses. The following uses are exempt from payment of use rates and insurance requirements, except caterer insurance if applicable. No alcohol is allowed for these events:

- a. City Meetings. City Council/Urban Renewal Agency meetings, City/Urban Renewal Agency committee, task force, or staff meetings, trainings, recruitments or exercises.
- b. Neighborhood Associations. Recognized neighborhood associations may hold their regular meetings, up to twelve (12) meetings per year in one or two small rooms.
- c. Keizer-based Youth Sports. Keizer-based youth sports organizations may hold up to three (3) events per year using one medium room or one or two small rooms.
- d. Town Hall/Community Forums. City, Urban Renewal Agency, Salem Area Mass Transit District, Marion County, and other governmental agencies may hold town hall/community forums for the purpose of gathering public input.
- e. Keizer Library. The Keizer library may hold up to two (2) book sale events per year.
- f. City Employee/City Volunteer Training. Training and meetings for City employees or City volunteers are exempt. The trainings or meetings are limited to one or two small rooms during regular City Hall business hours. Other governmental employees or volunteers may also attend. No fee may be charged to participants other than the actual meal cost, if a meal is served.
- g. City-Hosted Educational Outreach Events. No registration fee may be charged to the participants.
- h. Outside Committees/Groups. With City Manager approval, organizations connected with the City or benefitting City residents

such as Keizer United, Claggett Creek Watershed Council, and Community Emergency Response Team may hold one meeting per month in one or two small rooms. No registration fee may be charged to the participants.

3. Other Agreements Exempt. Organizations with specific agreements for Community Room use are not subject to the above rates. The City Manager is authorized to negotiate and reduce the use rates for organizations who request repeating scheduled use for a term not exceeding two (2) years.
4. Council Approved Uses. The City Council may reduce or waive rates, deposits or other costs for certain uses if, in the Council's sole discretion, the use is a significant benefit to the Keizer community considering such factors as the City's fixed and non-fixed costs, staff resources, wear and tear on the facility, and other factors deemed appropriate by Council.
5. Additional Facility Charges. The City Manager is authorized to adopt and impose surcharges for rental rates for additional facilities, including, but not limited to stages, audio/visual equipment, computer equipment, kitchen usage and additional labor expenses. The City Manager is authorized to impose deposits, fees or additional charges as City Manager may deem appropriate in his/her discretion.
6. Use Rates Subject to Facility Agreement. The use rates set forth herein are subject to the provisions of the Facility Use Agreement as authorized by the City Manager. The City Manager is authorized to amend the use rates if in the City Manager's discretion such amended rates provide increased transient occupancy taxes, other identifiable economic benefits to the citizens of the City as a whole, or other identifiable fiscal benefits to the City of Keizer administratively.

BE IT FURTHER RESOLVED by the City Council of the City of Keizer that

Resolution R2015-2612 (Adopting Use Policies and Rates for the Keizer Community Center Rooms) is hereby repealed in its entirety except for already booked events.

CITY COUNCIL MEETING: Tuesday September 6, 2022

To: MAYOR CLARK AND CITY COUNCIL MEMBERS

THROUGH: Adam J. Brown, City Manager

FROM: Bill Lawyer, Public Works Director

SUBJECT: REITZ WELL REPLACEMENT

PROPOSED MOTION:

I move the City Council adopt Resolution R2022-____ authorizing the City Manager to award and enter into a contract with Schneider Water Services for Reitz Replacement Well.

I. SUMMARY:

The proposed project will replace an existing production well that is no longer a viable water production source due to sand intrusion into the well.

II. BACKGROUND:

Staff solicited bids through the formal bid process to abandon the existing water production well at the Reitz site and drill a new water production well. The bids were received and opened on Tuesday August 16th, 2022. Two bids were received that ranged from \$608,606.00 to \$399,350.00 with Schneider Water Services submitting the lowest bid. The engineers estimate for the project was \$400,000.00.

III. CURRENT SITUATION:

- A. The existing well is now longer usable as a source of water due to sand intrusion into the well. Attempts to modify the well to eliminate the sand intrusion have been unsuccessful.
- B. Replacing the existing well is necessary to maintain the water production capabilities of the system to serve the community.

IV. ANALYSIS:

- A. **Strategic Impact** – This project is consistent with the adopted Water Master Plan and the water production capabilities identified in the plan. The Water Master Plan is part of the Council’s Long-term goals.
- B. **Financial** – Funds for this project are identified in the City Council adopted Fiscal Year 2022/2023 budget.
- C. **Timing** – Approval of this request will provide the addition of the water production to the system at the earliest possible date.
- D. **Policy/legal** – City council approval is required to award this contract.

ALTERNATIVES:

- A. Adopt the Resolution authorizing the City Manager to enter into a contract with Schneider Water Services for the New Reitz Replacement Well project.
- B. Take no action – Not approving this project will result in a reduction of water production capabilities for the community.

RECOMMENDATION:

Staff recommends that the City Council adopt the Resolution authorizing the City Manager to enter into a contract with Schneider Water Services for the New Reitz Replacement Well project.

ATTACHMENTS:

- Resolution R2022-_____

CITY COUNCIL, CITY OF KEIZER, STATE OF OREGON

Resolution R2022-_____

AUTHORIZING THE CITY MANAGER TO AWARD AND ENTER
INTO A CONTRACT WITH SCHNEIDER WATER SERVICES FOR
REITZ REPLACEMENT WELL

WHEREAS, the current Reitz well is no longer a viable water production source due to sand intrusion into the well;

WHEREAS, bids were solicited for replacement of the Reitz Well;

WHEREAS, funds available to complete this project are from the American Rescue Plan Act (ARPA);

WHEREAS, two bids for this project were received. Schneider Water Services submitted the low bid for a total amount of \$399,350.00. The bid has been reviewed and certified;

WHEREAS, a notice of intent to award the bid was sent to the bidders on August 30, 2022;

NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of Keizer that the City Manager is hereby authorized to award the contract to and enter into an agreement with Schneider Water Services for a total cost of \$399,350.00 for replacement of the Reitz well if no objections are received. Funding for this project is from the ARPA Fund.

BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon the date of its passage.

PASSED this _____ day of _____, 2022.

City Recorder

CITY COUNCIL MEETING: Tuesday September 6, 2022

To: MAYOR CLARK AND CITY COUNCIL MEMBERS

THROUGH: Adam J. Brown, City Manager

FROM: Bill Lawyer, Public Works Director

SUBJECT: **CIVIC CENTER EXTERIOR BLOCK SEALING**

PROPOSED MOTION:

I move the City Council adopt Resolution R2022-___ authorizing the City Manager to enter into an agreement with H&B Painting Co. for cleaning and re-sealing the exterior block walls of the Civic Center.

I. SUMMARY:

The proposed project is a necessary part of the regular maintenance of the Civic Center facility.

II. BACKGROUND:

Staff solicited bids through the informal bid process to have the exterior block walls of the Civic Center cleaned and re-sealed as recommended by the block manufacturer to extend the life of the structure. Three companies were contacted to provide a quote, one indicated they were not interested. The other two provided quotes ranging from \$44,625.00 to \$26,785.00

III. CURRENT SITUATION:

- A. The exterior block of the facility was cleaned and re-sealed approximately 5 years ago and it is recommended this process is performed every five years.

IV. ANALYSIS:

- A. **Strategic Impact** – No strategic impact.
- B. **Financial** – Funds for this project are available in the City Council adopted Fiscal Year 2022/2023 Facility Maintenance budget.

- C. **Timing** – Approval of this request will allow the project to be completed before the fall weather begins.
- D. **Policy/legal** – City Council approval is required to award this contract.

ALTERNATIVES:

- A. Adopt the attached Resolution.
- B. Take No Action – Delaying this project will result in additional costs in the future due to material cost increases and more labor needed to clean the block prior to re-sealing it.

RECOMMENDATION:

Staff recommends that the City Council adopt the authorizing the City Manager to enter into an agreement with H&B Painting Co. for cleaning and re-sealing the exterior block walls of the Civic Center.

ATTACHMENTS:

- Resolution R2022-____

CITY COUNCIL, CITY OF KEIZER, STATE OF OREGON

Resolution R2022-_____

AUTHORIZING THE CITY MANAGER TO ENTER INTO AN
AGREEMENT WITH H AND B PAINTING CO. FOR
CLEANING AND RE-SEALING THE EXTERIOR BLOCK
WALLS OF THE CIVIC CENTER

WHEREAS, the Civic Center exterior block walls should be pressure washed and
re-sealed as part of the regular maintenance;

WHEREAS, the City solicited bids for the pressure washing and re-sealing of the
City Hall building;

WHEREAS, two bids for this project were received and opened;

WHEREAS, H and B Painting Co. submitted a quote of \$26,785.00;

NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of Keizer that the City Manager
is hereby authorized to enter into an agreement with H and B Paint Co. to perform
pressure washing and re-sealing services of the Civic Center building. Funding for this
project is from the Facility Maintenance Fund.

MINUTES
KEIZER CITY COUNCIL
WORK SESSION
Monday, August 8, 2022
Keizer, Oregon

**CALL TO
ORDER**

Mayor Clark called the work session to order at 6:00 p.m. Attendance was taken as follows:

Present:

Cathy Clark, Mayor
Dan Kohler, Councilor
Kyle Juran, Councilor
Roland Herrera, Councilor
Shaney Starr, Councilor
Laura Reid, Councilor
Elizabeth Smith, Councilor

Staff Present:

Adam Brown, City Manager
John Teague, Police Chief
Andrew Copeland, Police
Shannon Johnson, City Attorney
Tim Wood, Finance Director
Bill Lawyer, Public Works Director
Tracy Davis, City Recorder

DISCUSSION
a. Fireworks

Chief Teague shared information regarding past fireworks-related calls for service. He noted that the fireworks statute is one of only four statutes that says 'law enforcement shall enforce this rule' and it is an unsurmountable problem that criminalizes otherwise law-abiding people. Because it is a crime, it requires the police to develop 'probable cause', which requires witnesses and pits neighbors and family members against each other.

He explained that the City could develop an ordinance reducing it to a violation and described the Tigard ordinance which holds the property owner liable (\$1,000 fine). He noted that Tigard had not yet issued any citations.

City Attorney Shannon Johnson provided additional details about ordinances adopted by other cities and explained the difference between a crime and a violation. He noted that should Keizer adopt a similar ordinance, it could be a useful tool for education and prevention. Discussion followed regarding locations of offenses, education and enforcement, various forms of outreach to explain which fireworks are illegal and inform the community about the new fireworks ordinance, partnering with the Fire District, the importance of educating the public, allowing use during specific times, cost of enforcement, and banning fireworks during times of high fire risk.

Mayor Clark summarized that Council wished to develop a mechanism for citing people for illegal fireworks at any time to include holding the property owner responsible, considering time, manner and place, and to do an education campaign regarding the ordinance. The education aspect should include sharing the impact on fireworks on various members of the

community, promote professional displays, and collaborate with Fire District.

Public Works Director Bill Lawyer pointed out that as Director he can ban all type of flame in parks and it is done annually. He noted the Parks Rules prohibit all fireworks at all times.

Council directed staff to come back with a proposed ordinance that would allow for creating a violation and citation process regarding fireworks use within the city limits under the conditions they described.

Discussion followed regarding addressing time restrictions on legal fireworks with Chief Teague suggesting 10 p.m. with the exception of New Year's Eve and July 4.

ADJOURN

Mayor Clark adjourned the work session at 7:16 p.m.

APPROVED:

Absent:

Elizabeth Smith, Councilor

FLAG SALUTE

Mayor Clark led the pledge of allegiance.

SPECIAL ORDERS OF BUSINESS None

**COMMITTEE
REPORTS**

Jane Herb, Keizer, summarized information received by the Planning Commission at their most recent meeting through a presentation from representatives of the Department of Land Conservation and Development regarding the Climate Friendly and Equitable Communities rules and shared other details of the meeting.

Tammy Kunz, Keizer, shared information about recent Northeast Keizer Neighborhood Association activities, plans and concerns.

Mathew Poteet, Keizer, reported on the recent Parks Board meeting including band approval and discussion about vandalism. He added that because Parks Tour will be on the Monday before the regular meeting the September meeting was cancelled. Parks set for visits are Palma Ciega, Bair and Keizer Rapids.

City Manager Adam Brown noted that camera systems are being researched for installation at parks to address the vandalism problem.

PUBLIC COMMENT

Mayor Clark noted that one written comment received would not be entered into the record because it violates the requirement that comments not be disparaging of peoples' character or motivation; one other was received from *Roy Price* regarding work along Labish Ditch.

PUBLIC HEARING

Mayor Clark opened the Public Hearing.

**a. RESOLUTION -
Forming Tepper
Crossing Street
Lighting Local
Improvement
District**

City Manager Adam Brown summarized his staff report.

With no further testimony, Mayor Clark closed the Public Hearing.

Councilor Reid moved that the Keizer City Council adopt a Resolution Forming Tepper Crossing Street Lighting Local Improvement District. Councilor Kohler seconded. Motion passed as follows:

AYES: Clark, Reid, Herrera, Kohler, Starr and Juran (6)

NAYS: None (0)

ABSTENTIONS: None (0)

ABSENT: Smith (1)

ORDINANCE –

**Spreading
Assessments to
Tepper
Crossing Street
Lighting Local
Improvement
District**

Councilor Reid moved that the Keizer City Council adopt a Bill for an Ordinance Spreading Assessments to Tepper Crossing Street Lighting Local Improvement District. Councilor Kohler seconded. Motion passed as follows:

AYES: Clark, Reid, Herrera, Kohler, Starr and Juran (6)

NAYS: None (0)

ABSTENTIONS: None (0)

ABSENT: Smith (1)

**ADMINISTRATIVE
ACTION**

**a. Keizer Public
Art Display
Areas**

Mr. Brown summarized his staff report. Councilor Reid explained that the City owns a few pieces of art but KPAC wishes to grow the collection and rearrange the pieces occasionally. Mayor Clark suggested that the Commission explore getting something with the City logo to go on the wall behind the dais.

Councilor Reid moved that the Keizer City Council add the Council Chambers to the list of places the Public Arts Commission is allowed to hang and rotate city-owned art. Councilor Kohler seconded. Motion passed as follows:

AYES: Clark, Reid, Herrera, Kohler, Starr and Juran (6)

NAYS: None (0)

ABSTENTIONS: None (0)

ABSENT: Smith (1)

**CONSENT
CALENDAR**

A. Surplus Property

B. Approval of August 1, 2022 Regular Session Minutes

Councilor Reid moved to approve the Consent Calendar. Councilor Kohler seconded. Motion passed as follows:

AYES: Clark, Reid, Herrera, Kohler, Starr and Juran (6)

NAYS: None (0)

ABSTENTIONS: None (0)

ABSENT: Smith (1)

OTHER BUSINESS

a. License Agreement with Schoolhouse Square for Cold Wet Eagle

City Attorney Shannon Johnson summarized his staff report and noted that before action could be taken Council would need to suspend the rules.

Councilor Reid moved to suspend the rules. Councilor Kohler seconded. Motion passed as follows:

AYES: Clark, Reid, Herrera, Kohler, Starr and Juran (6)

NAYS: None (0)

ABSTENTIONS: None (0)

ABSENT: Smith (1)

Councilor Reid moved that the city attorney move forward with an amended license agreement with Bloch Schoolhouse LLC to provide a ten-year commitment for the Cold, Wet Eagle sculpture to remain at the Schoolhouse Square property for a minimum of ten years. Councilor Kohler seconded. Motion passed as follows:

AYES: Clark, Reid, Herrera, Kohler, Starr and Juran (6)

NAYS: None (0)

ABSTENTIONS: None (0)

ABSENT: Smith (1)

STAFF UPDATES

Mr. Brown praised National Night Out and KeizerFEST events.

City Recorder Tracy Davis welcomed the new Event Center Coordinator, Lily Von.

Chief Teague reported that both National Night Out and KeizerFEST went well.

COUNCIL MEMBER REPORTS

Councilor Herrera reported on meetings and events he had attended and announced upcoming ones. He noted that vandalism and graffiti in Country Glen Park seems to have increased and wished his wife Olivia a happy birthday.

Councilor Reid announced back to school activities and the Music Man performance by Keizer Home Grown Theatre and reported on the recent Homeless Alliance meeting.

Councilor Kohler reported on events he had attended and announced upcoming events and volunteer opportunities. He and thanked Dave Wallery and Bob Shackelford for their volunteer KeizerFEST efforts.

Councilor Starr reported on events and meetings she had attended, and recognized Keizer Police Department for efforts related to National Night Out, Keizer Chamber for KeizerFEST, and Keizer Home Grown Theater for sharing proceeds from The Music Man with community non-profits. She urged everyone to donate school supplies to help needy students.

Councilor Juran reported that KeizerFEST took much of his time over the past two weeks, voiced appreciation for National Night Out visits and the

Mid-Willamette Valley Council of Governments legislative gathering.

Mayor Clark shared additional information regarding the legislative gathering, reported at length on various meetings and events she had attended and announced upcoming events.

AGENDA INPUT

Keizer, OR 97303

Dear Local Government Partner:

The Mid-Willamette Valley Community Action Agency is seeking additional government-appointed representatives to join our Board of Directors. Our Agency was created in 1967, chartered as part of the Economic Opportunity Act of 1964, a product of the War on Poverty. Community Action Agencies are locally organized, federally funded agencies that work to end generational poverty through education, advocacy, and “whole person” direct services across a variety of unique program areas.

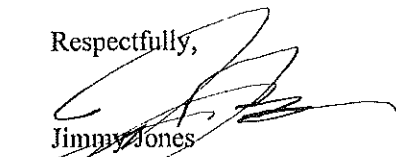

Today, Mid-Willamette Valley Community Action Agency runs nine major programs in our three divisions: Energy and Weatherization, Early Learning and Child Care, and Housing and Homeless Services. Collectively, these programs address generational poverty by providing direct services, and by organizing community resources and advocating for better public policy to serve those in need. Annually, our 500 employees serve about 55,000 residents of Marion and Polk counties, and provide \$65 million in resources and services to our low income community.

Our projects include Community Action Head Start, which serves about 1,000 children and their families in our community each year. That program is a collection of several state and federally funded initiatives, including the federal Head Start program, Early Head Start, the state’s new P3 program for infants and toddlers, and the federally sponsored Child Care Partnerships program. Collectively these programs center on school readiness for children ages birth to five from low-income families by enhancing their cognitive, social, and emotional development. Head Start creates learning environments that support the development of language, literacy and social and emotional development, and centers that work on the role of parents and relationship building.

We also operate the ARCHES Project, which is one of the largest and most well respected homeless services operations in Oregon. Each year ARCHES houses about 800 homeless residents of our community. In 2020-2021 we ran the most successful rental assistance program in Oregon, providing more than \$26 million in federal rental assistance to more than 5,000 families in 15 months. In 2019, ARCHES opened a large Day Center operation in downtown Salem where we provide showers, laundry, hot meals and connections to services. We expanded our sheltering operations to include the ARCHES Inn (an 80-room Project Turnkey motel) and the Tanner Project (a 36-bed transitional shelter for homeless veterans) in 2021; and in 2022 added a Shelter Care Plus project for homeless residents exiting from the hospital but still needing care. Through this work we have provided wildfire relief, service navigation for farmworkers, permanent supportive housing at Redwood Crossing (a joint project with the Salem Housing Authority), veterans’ services, and much more. Collectively we provide about 15,000 nights of shelter per year for the region’s homeless. The Agency also operates Taylor’s House, a runaway and youth homeless shelter in Salem, and we have plans to expand that work in 2023.

Our Board meets on the fourth Thursday of every month at 5:30 p.m. If your jurisdiction would like to nominate a candidate for consideration of membership, please contact me at jimmy.jones@mwvcaa.org, or by calling 503-585-6232 (ext 1100). In these trying times, young families, the elderly, and the vulnerable residents of our community need a pathway out of generational poverty. We hope that you will lend your talents in service of our work.

Respectfully,

Jimmy Jones
Executive Director

Hello Mayor Clark, City Councilors, and City Staff:

While reviewing the City of Keizer Water Report, to my dismay, I found that we fluoridate our water. This is a harmful practice, and I'd like to respectfully request that the City review and discontinue the addition of fluoride, a known neurotoxin, an EPA-identified contaminant, to our water.

Keizer began fluoridating its water in 1982. I found an article from 2010 where this was a controversial topic in the City, with a discussion about discontinuing the practice. Rather than discontinuing it, we actually added more delivery equipment! We've spent hundreds of thousands of dollars on adding fluoride to our precious water, and I believe it's time to stop doing this—to stop throwing good money after bad and at the same time improve the health of our residents.

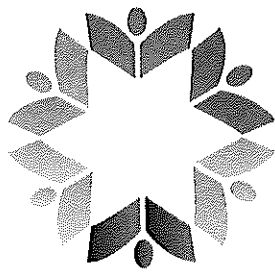

I've compiled some references here as to why I'm urgently requesting the City take action. It's critical to the well-being of every person who drinks our water.

Thank you.

Sincerely,

Jane Herb
Keizer

Keizer Community Library Annual Report 2021

Keizer Community Library
Opens The World
To Everyone

Keizer children proudly show off their library cards

Early literacy computers in use

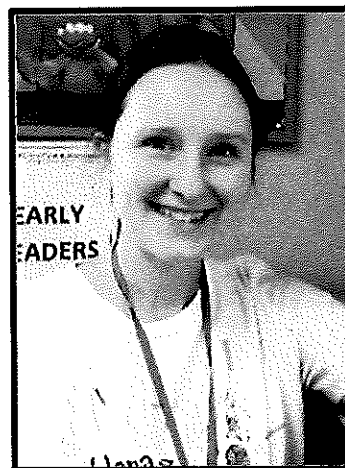

Serving More Families & Children Than Ever Before!

- Kids library cards
- Free cards, no fines
- Remodeled library space
- New early literacy workstations
- More Spanish language books
- More dual-language books
- Outside book return
- New computer system
- Updated website

PRESIDENT'S message:

"2021 was a transitional year for your library. Most library services were suspended due to mandated COVID closure. But that closure created the opportunity for the library's Board of Directors to reinvent your library. We completed an extensive remodel of the space. Library cards became free and we eliminated late fees. An outdoor book return was installed. A new computer system allows you to browse our catalog, reserve books and manage your library account from anywhere. We expanded our collection to include books in Spanish and many books focused on diversity. Stop by and see the NEW KEIZER COMMUNITY LIBRARY!"

Bill Leach

Library Manager

Meet Clara!

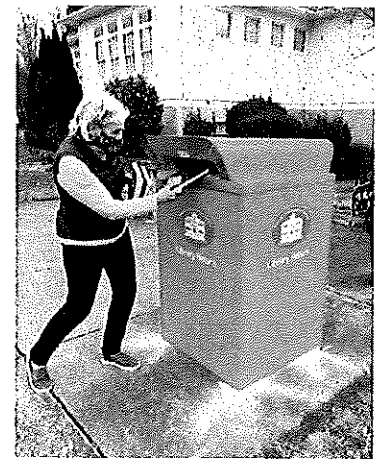

"My dream for Keizer Library is that all children fall in love with books and that volunteers and patrons, who come from all parts of Keizer, find a community here."

Complete remodel

Affordable reading available at Keizer Community Library's bi-annual book sales

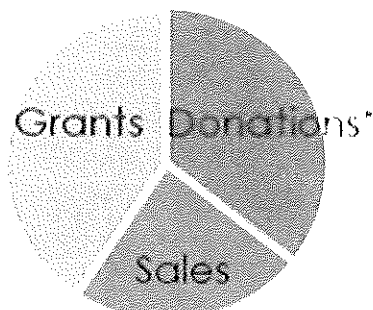

Outdoor book return

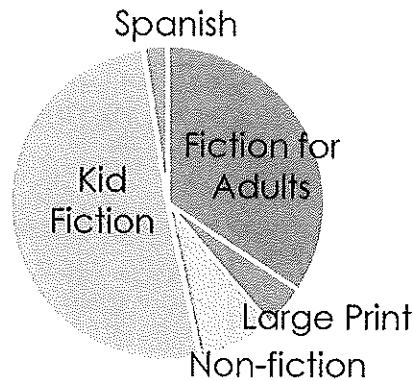

Books Checked out 2021

Sept - Dec

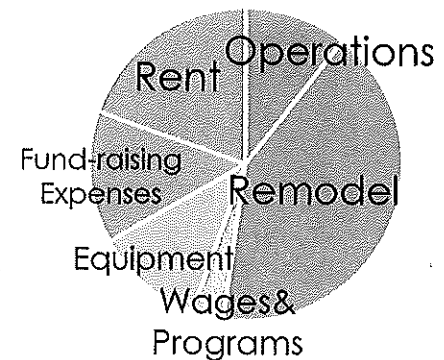

Income 2021

*does not include donated books, work hours or equipment

Expenses 2021

With our new online catalog, you can:

- search for books
- place holds to pick up
- manage your account
- download mobile app "Librista"
- renew your items
- see checked out items
- Create lists

Library Hours

Mon, Tues 3-7 pm
 Wed - Fri 1-5 pm
 Sat 11-3 pm

Why become involved?

The Daughters of the American Revolution provides a wonderful way to get involved in your community and make lifelong friends.

Daughters participate in various projects for our service men and women, veterans, children, and community.

Our chapter meets at the John Knox Presbyterian Church in Keizer on the third Wednesday of the month, September through May, at 10:00 am.

We invite you to attend.

Anna Maria Pittman

1803 — 1838

Teacher, Methodist missionary, and accomplished poet who traveled to Oregon Country in 1837 to live and work at the Willamette Mission.

She became the wife of Methodist missionary Jason Lee.

***Do you have a patriot
in your family?***

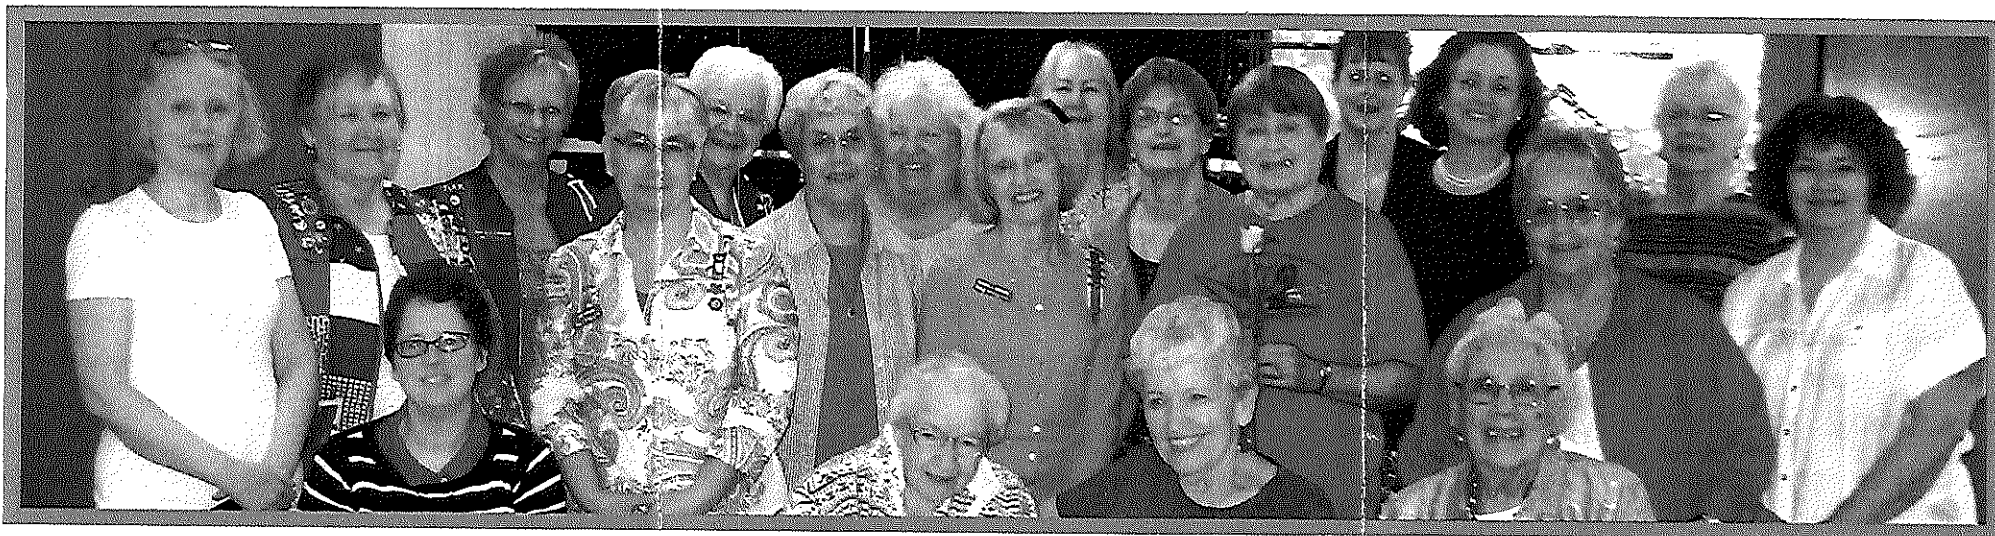

Consider DAR!

Anna Maria Pittman Chapter

National Society
Daughters of the
American Revolution

The Daughters of the American Revolution is a not-for-profit, non-political volunteer women's service organization dedicated to promoting patriotism, preserving American history and securing America's future through better education.

Who We Are

We are your neighbors, mothers, sisters, wives, aunts and grandmothers. We are women who...

- care about fostering *good citizenship*
- want to *preserve our past*
- are devoted to *educating our youth*
- want to honor our *ancestors*

What We Do

- *Historic Preservation*—We restore and maintain historic sites and preserve historical records and artifacts.
- *Patriotic Endeavors*—We support veterans, active duty troops, and their families, and sponsor special programs that promote the Constitution.
- *Promotion of Education*—We support youth programs, award scholarships, and sponsor essay contests for students.

Membership Eligibility

Any woman 18 years or older, regardless of race, religion or ethnic background, who can prove lineal descent from a patriot of the American Revolution is eligible.

DAR volunteers can provide guidance and assistance with your application process.
