She reported that plans are underway to seek grants and fundraise for installation of mosaic art at the Splash Fountain and that the Story Poles will be dedicated on September 18.

He also reported that the Claggett Creek Watershed Council worked with Miranda Coleman and the McNary Leadership Group to clean out ivy at Palma Ciega Park and is still recruiting for new members.

ADMINISTRATIVE ACTION

a. RESOLUTION – Authorizing the City Manager to Enter Into Agreement with Prothman Company

City Attorney Shannon Johnson explained that changes to the contract had been made and handed out a new contract and resolution. He noted that Prothman Company was not registered in the State of Oregon and the contract would not be signed until they confirmed that they are registered or have a valid exemption.

Discussion followed regarding the City Manager recruitment process, minority and disadvantaged businesses, exclusion of Council in the process, the lack of authority for Prothman to do business in Oregon, references, background checks, attention to detail, protest periods for non-selected proposers, adjustment of time if the selection is delayed, trusting the legal department, and the limited number of qualified firms.

Councilors indicated that they would like to know if being registered in the State of Oregon was a requirement, expressed the opinion that

continued interference with the process would delay the outcome, and pointed out that this process was to hire a firm to recruit City Manager candidates, not to hire a City Manager.

Council agreed by consensus to bring this item back on September 7.
