

Keizer Bikeway Advisory Committee
August 9, 1995
Keizer City Library Room

Members Present

Hersch Sangster - chair
Joe Edgell - staff liaison
Barry Evensen
Jack McElwain
Preston Van Meter

Members Absent

Anna Biffle
Lori Deibert

The meeting was called to order at 7:05 pm. by Hersch Sangster

The first item was a proposal from the Salem Bicycle Club to fund a bicycle rack in the memory of Willie Vettermack, a Bike Club member and a resident of Keizer. A rack fund was started about 2 years ago to fund a rack at the Willow Lake Treatment Plant where she worked.

At the July meeting, Joe Edgell was to contact the City Manager to see what will be needed to get the donation from the Bike Club and the procedures to install a rack. Joe indicated that Wally Mull approved the project. Two suggested spots are on the west end under the trees or on the east end by Edgell Park.

The Committee took a tour of the area for placement of the rack. It was agreed that the spot outside the Police Station on the west end was the best.

Hersch will contact the Salem Bicycle Club to find out the exact amount the wish to donate.

The meeting ended at 8:30. The next meeting will be 09/13/95 at 7 pm..
