New Business:

Wallace House replica. Clint volunteered to recruit builders. Jerry volunteered to help with design. This would need to be a KPIC project.

Steamboat Days: the moorings on the Willamette mark where steamboats were docked during their heyday. A possible addition to the work KPIC has already done on steamboats. Sites could be marked along the river for paddlers to see.

Next meeting: August 26, 3 pm at Civic Center.

Adjourned at 7:05 pm

Respectfully submitted,
Cathy Clark, Wallace House scribe
