Meeting
Tuesday, July 24, 2001
Keizer City Hall ~ Conference Room B***

A quorum was not present at this meeting, but the following members were in attendance: Tom Wood, Greg Rands, Mike Gaynor and Rick Curry. Also present were City Manager Chris Eppley, Council Liaison Richard Walsh, Councilor Jerry McGee and Recording Secretary Cindy Perry

Conversation was conducted regarding the UNOCAL property. Chair Wood felt it would be appropriate for the Agency and Board to meet in a work session to review this. City Manager Eppley indicated he would forward this information to Planning Director Maria Meier.

It was also noted that many members of the Board would not be available for the August 22nd meeting and an earlier date to meet was discussed. These recommendations would also be forwarded to Ms. Meier.
