Keizer Bicycle Advisory Committee
Wednesday July 18, 2001
MINUTES

Members Present: Hersch Sangster, Barry Evensen, Joe Edgell, Judy Smith, Doug Parrow

Guest: David Philbrick, Benjamin Phelps

Members absent: Martin Doerfler, Trevor Holman, Kristi Lowery

The Meeting was called to order by Hersch Sangster. Minutes from last month were reviewed and approved.

The KBAC has helped with the Keizer Police to set-up and run a bicycle skills fair on 7/7 1-4 p.m. at Volcano Stadium, the next one is on 8/4. Hersch has helped with Cautious Kids. The helmet give away is continuing. The next is on 8/18. It was discussed that maybe future skill fairs should be on River Rd instead of Volcano Stadium, since the turnout was low.

Joe talked about the Act grant and our helmets. Joe will be again placing an order, which will include more skate helmets. \$200 will be used for a bicycle prize as part of the police encouragement/enforcement program. Judy will be working with other local groups, i.e. Rotary, for funds for more helmets. Hersch will check with Salem Hospital. There was a discussion on whether we should charge for future helmets. It was decided that it would be difficult from an accounting basis.

As reported at the last meeting, the Council approved the Skate Park helmet rules. Enforcement is occurring

Benjamin will again be heading up the DaySpring Skill fair on 9/23 3-6 p.m. The KBAC will again help with the event. Hersch will check with Scott's for bicycle shop support since Luarca's is out of business.

David had question about speed and crossing issues on Lockhaven at the last meeting. Public Works was contacted about traffic calming that might work in the area including crossing. The City Engineer has recommended against any mid-block crossings as calming devices. This issue will be further looked into

The last Traffic Safety meeting was cancelled. Barry will attend the July meeting.

Next meeting will be August 15 Wednesday
