Flood History River Marker at Boat Ramp Update: Installation is complete except for the pouring of the concrete. Pictures were circulated. Members celebrated the completion of the project with cookies and sparkling cider.

Status of Geo-caches: Members discussed the difficulty of maintaining the caches and decided that instead of putting logs and trinkets in the box they would put a card with a QR code on it that would direct geo-cachers to the Points of Interest map on the City website.

Savage House: Kris Adams reported that she is meeting with Evelyn Franz on July 12 to go through the files on the house. Sherrie Gottfried volunteered to contact Lyndon Zaitz for more information.
