

**Minutes from June Meeting:
Wednesday, June 21, 2006**

Present: Red, Jerry, Darlene, Bill, Yani and Richard

Minutes were amended to show that the generator was donated by Hertz Rental, other wise minutes were approved.

Review of all the plans drawn at Charett Process and Red reported on the public meeting. Bike trails were in all the plans the committee was commended for the job done in presenting our ideas.

Bill updates on Road Construction

Darlene Attended Traffic Safety Commission Meeting.

Red and Darlene complete the report for the Acts Grant money.

Committee members are encouraged to walk the path connecting the underpass at Tepper and the bike path system. The path is located at the very end of Jacobe and follows the gas line; it is currently well marked and partially graveled. Be ready to discuss the path at the next meeting.

Motion made by Jerry and passed by Red to keep the multi use path at the Keizer Rapids Park as close to the River's edge as possible. Jerry will be sending that recommendation to Nate Brown.

Jerry will contact Dayspring Fellowship to see if we might be able to get involved in the safety program with a bike rodeo in September.

Next Meeting July 19th
