MEMORANDUM

DATE: June 7, 1996

TO: Mayor Koho and Council Members

FROM: Dotty Tryk, City Manager *Dotty*

SUBJECT: Request to participate in paving the Little League parking lot

Clint Holland came to the Council with a request to share in the costs of paving the upper parking lot at the Little League field. You asked him to return to the Parks Board with a firm bid for approval. At this time, I believe that the parks board intends to have a "stand up" meeting to act on the request at the beginning of the June 10 workshop.

Clint told you that he has a time line he wants to attain. I would suggest that if he makes this request Monday night and the parks board recommends it that you sit as a Council for the purpose of acting on the request and, by motion, direct me to participate at the level you choose.
