DISSCUSION

a. RESOLUTION- Community Policing Committee

Mayor Christopher opened the meeting noting a community policing audit report from 1994. She requested that members in attendance review the document.

Ken Gierloff, staff and members of Council provided a

historical background on community policing, as well as, the description of the charge and structure of the committee as it is currently written.

Council also summarized their perceptions of Community Policing. Concerns arose regarding staff acting as voting members on the committee, organizing the committee to match the processes similar to other city committees and boards, the need for a minute taker, in addition to obtaining a consistent quorum for the committee to conduct business.

The above issues were debated among staff, Council and members of the Committee Policing Committee.

Mayor Christopher summarized the discussion by noting the need to apply consistency for the committees. This could include the recommendation for a city staff member to attend the meeting for the purpose of minute taking. Also to address the quorum requirement and the absence policy with the resolution.

Mayor Christopher thanked everyone for his or her attendance and noted that the Council would address these issues in the near future.

For informational purposes it was noted that the next COP meeting would be held on June 4th with June 11th scheduled as the main Community Policing meeting.

ADJOURNMENT

Mayor Christopher adjourned the meeting at 7:00 p.m.
