**7. Review of Arts
Commission Budget:
\$2,744.26 remaining**

- a. Budget is on page 6 of the Packet. The graffiti blocker coating on the art piece that was tagged at Keizer Rapids Park may need to be coated again because the graffiti removal was very slow-going for Parks staff.**
- The Commissioners were pleased with about half of the budget remaining while knowing that the installation of three box wraps would need to be paid.
- There was discussion on the art piece that was tagged at Keizer Rapids Park. Not all of the graffiti could be removed and the background to the artwork would need to be repainted before the anti-graffiti coating could be applied.
- Some of the Arts Commissioners plan on touching-up the paint during the summer. Commissioner Brisbin suggested the Superzilla cleaner because it had worked really good when she used it to remove graffiti. Deputy City Recorder Dawn Wilson would check with Public Works to see if they have extra anti-graffiti coating and paint. It was noted that Ron Christopher, Randy Miller, and Mark Callier applied the original coating on both the downtown murals and the mural at The Big Toy, and they usually re-apply the coating every three years.

Councilor Christopher would check with JW Smith, Ron Christopher, Randy Miller, and Mark Callier to apply the anti-graffiti coating again at no charge. James Lukinich was another resource who could apply the coating, but there would be a cost.

8. New Business

- a. Updating Master Plan ~ include Proposed Street Art Program to Allow Murals to be Painted on Pavement by Tammy Saldivar (attached is Rough Draft ~ Inviting Feedback from Members)?**
- KPAC members discussed the proposed Street Art Program to Allow Murals to be Painted on Pavement.
- Councilor Christopher shared that at the last meeting, City Manager Adam Brown requested that the plan be approved by Public Works to ensure that the plan meets all of the Public Works rules for public roadways. It was noted that KPAC was waiting to hear from Public Works. Once Public Works approves the plan, then it would be added to the Arts Commission Master Plan.
- All of the Commissioners like the plan and wanted to move forward. Since the Arts Commission were waiting to hear from Public Works, this discussion would continue at the next meeting.
- KPAC members requested that Deputy City Recorder Dawn Wilson reach out to Tammy Saldivar and ask where she was in working with Tammy Kunz on the Parks' Mural Proposal because it needed some refinement and didn't want it to be forgotten.

- b. Holiday Card Contest ~ It was suggested for winners to have some cards that are blank inside for mailing to family/friends. (12 extra cards would cost approximately \$30)**
- It was suggested to have a paper with the Councilors' signatures placed inside the blank cards. Discussion ensued on having extra blank cards for the KPAC members to send out. It was noted that extra cards with Council signatures inside should be provided to each of the City Councilors.
- Councilor Lore Christopher moved to spend up to an additional \$50 for the purpose of printing blank cards for use by the artists and KPAC members as they see fit. Seconded by Deborah Sisco. Motion passed as follows: Christopher, Steen, Wood, Sisco, and Brisbin in favor with Thoreson absent and one open position.

- c. Continue Discussion on number of artists annually, certain number of year for returning artists and possibly taking a year off, rotations of returning and new artists, and split-galleries.**
- This item was tabled to the next meeting so that Chair Thoreson could be involved in the discussion.

Please note: if the Arts Commission and the City Council rules and policies do not conform if changes are made, then a Motion is needed to recommend revising the attached documents (e.g. Council Ordinance and Resolution and the Keizer Public Arts Policies and Criteria.

9. Other Business

Keizer Street Painting Program

What it is

The Keizer Street Painting program encourages creativity of art using the street asphalt as a canvas. Approved art proposals can be painted directly onto the local streets of Keizer. The community itself chooses and installs the creation. This art is not intended to be a traffic control device, but rather to beautify and identify a neighborhood.

Location Criteria

Street paintings can be applied to any street designated by the city of Keizer as being a local street within the Keizer Transportation System Plan which can be found in figure 4.2 of the Plan at

<https://evogov.s3.amazonaws.com/media/60/media/49250.pdf>

or at this link <https://digital.osl.state.or.us/islandora/object/osl%3A69261>

(Street paintings cannot be applied to any pervious surface of public Right of Way)

Design criteria

Design acceptance is set by Arts Commission. Local artists' work is encouraged to be used for this application.

- Designs cannot cover existing pavement markings, or extend beyond the street surface to curbs, sidewalks and other features.
- Designs shall include the following buffers:
 - 50-foot buffer from signalized intersections or to the stop-controlled leg of an intersection.
 - 10-foot buffer from speed humps
 - 10- foot buffer from stop bars and marked crosswalks
- Designs shall not mimic traffic control devices

Application and approval process

Proposals for street painting shall be submitted to the Arts Commission through an online Street Painting Application found [\(here\)](#). *Hyperlink to application.* Applications will include:

- Applicant contact information
- Proposed dates of paint application (all phases)
- Image of painting design
 - Recommend an aerial image of the street
 - Include length and width, and distance from road features (curbs, sidewalks, etc.)
- List of paint colors and non-slip paint additive to be used. The city does not provide paint. [See XXX for information on this. \(PW to provide criteria\)](#)
- Approval of all fronting and adjacent properties indicated by PW affidavit. (Or the applicant/NA can do the outreach)

(Salem has Public Works place Street Painting Notification Letter (with a 10- day minimum deadline to oppose the painting) in the mail to abutting/adjacent¹ property owners and complete an Affidavit of Mailing)

Installation Process

- The approved proposal application will be sent to Public Works along with a "Parade, Special Event, or Block Party Permit" application.

- Public Works will review the packet for approval and confirm that no construction projects are planned in the next three years.
- Once approved, Public Works will return the approved packet and provide information on the traffic control plan to be used and make arrangements to provide the traffic control devices (signs and barricades).
- The area may be swept, blown clean, or pressure washed to prep the roadway.
- It is recommended to apply primer ahead of the art paint.
- Painting and cleanup must be done in a manner that does not allow any paint to enter the storm drain system, water body, or wetland.
- Paints cannot be reflective, retroreflective, or luminescent and must contain additives for skid resistance. Paint must be approved by Public Works.

Maintenance

- The city will not maintain the painting or restore it after construction or damage.
- The city is not responsible for any damage caused to the painting.
- The neighborhood can choose to maintain the painting or let it fade. The life expectancy is about 3 years.
- Maintaining the painting will require another Public Works Permit. The same process will be followed to acquire the traffic control devices (signs and barricades).

Supplemental information

- Block parties are a welcome addition to celebrate the new design and get the community involved with the creation.
- Donations may be available from the following providers:
 - Sherwin Williams for paint
 - Lorens Sanitation for Street Sweeping
 - Rec for volunteers
 - McNary Art program for designs
- The amount of paint will depend on the size and complexity of the design, the number of coats of paint, and whether you apply primer (recommended) to the site first. Primer is recommended (but not required) as it will help the paint adhere to the street surface and may reduce the number of coats needed for colored paint. The street surface is slightly porous and absorbs a fair amount of paint. Calculate for an average of 25-30 gallons for intersection painting installations. A gallon of paint typically covers 100-200 square feet. Lighter colors often require more coats than other colors to get the best appearance.

I captured some of the information, but believe it is up to the Arts Commission to decide what to include in the program.

Keizer Public Art Commission Policies and Criteria

The Keizer Public Art Commission shall meet with representatives of any proposed art project and forward the proposal to KPAC if selection criteria appear to be met. The KPAC meeting where the work(s) of art is to be considered shall be an open meeting and input may be provided by the public. KPAC shall weigh the proposal against the adopted approval criteria and vote to approve or reject the proposal.

If KPAC decides not to approve an art project proposal, the applicant may ask for specific feedback on ways to improve his or her proposal, resubmit the proposal, and ask for reconsideration by the Commission at a future meeting.

The Commission will use the process and criteria outlined herein, and any criteria adopted by City Council Resolution, on a case-by-case basis depending on the type of art being considered, and location of the proposed work of art (mural, community center art, sculpture etc.).

A. INTERIOR PUBLIC ART AT KEIZER COMMUNITY CENTER GALLERY

The process to display Public Art at the Keizer Community Center Gallery for all exhibitions except student art shows and Keizer Art Association exhibitions is as follows:

1. Artist/representative submits the following to the staff liaison for the Keizer Public Arts Commission at least 7 business days prior to the art commission meeting before the date requested for installation:
 - a. Letter of request
 - b. Photo of each piece proposed to be displayed
 - c. Contact information for each artist, including daytime contact number, email and mailing address
 - d. List indicating the title(s) of the property for each artist
 - e. Description of the Medium of the property (oil, acrylic, pastel, etc)
 - f. Approximate dimensions of the property
 - g. Market value of each piece (even if the piece is not for sale)
2. The Keizer Public Arts Commission (KPAC) will review and evaluate the request at a regularly scheduled meeting.
3. If the display is approved, KPAC will inform the artist(s) that the art must be mount-ready for installation and when the art will be displayed.
4. If the display is approved and the art is available for the approved exhibition period, KPAC will provide the legal department with the artist information listed in Section A(1) above.
5. KPAC will also provide the legal department with the beginning and termination date for the display (minimum of 30 days to a maximum of 90 consecutive calendar days).

6. The legal department will prepare an agreement and obtain the appropriate signatures.
7. Following KPAC's approval, staff will make arrangements for the installation and removal of the public art by city staff with the art representative present.
8. The art must be appropriate for the Community Center Gallery which is public space. Since the art is on property owned by the City, the City may reasonably prohibit certain material. The art cannot include objectionable material such as nudes or derogatory or defamatory content.
9. The valuation of each piece and total value of the exhibition cannot exceed the values as set by Keizer City Council Resolution.
10. The executed contract must be received prior to the receipt and installation of the property by the City.
11. It is the responsibility of the artist(s) to prepare title cards (approx. 3"x5") which list the title of the piece, the media, the artist's name (if the display is multiple artists), the sale price—or a statement that the piece is not for sale, and contact information of the artist if the piece is for sale. The cards must be of neutral grey, white or buff. The City will provide sticky gum for the affixing of the cards to the wall.
12. The pieces must be in good condition, suitable for display, and ready to hang from the display system in use at the Community Center.
13. The quantity of the pieces should be suitable for the space and a drawing of the display areas is available if necessary. Larger pieces will necessitate a fewer number of total pieces. The City generally is able to accommodate approximately 60 pieces of artwork which are approximately 18"x24" (this is a general approximation--depending on framing, orientation etc.)
14. The physical hanging of the art will be by City staff, but must be organized and ordered by the artist or their representative, and they must be present and able to assist the staff as the work is being installed.
15. The artist/representative is highly encouraged to meet with staff prior to the display installation to coordinate, review and plan the details of the installation.

The criteria that KPAC will use to evaluate pieces to display Public Art at the Keizer Community Center Gallery is as follows:

1. The Commissioners have the sole discretion to evaluate the art proposed for public display and will accept the pieces for display based on artistic merit, quality of work, and subject matter.

2. The evaluation will be based on the intent of creating a venue for public display of art for education, edification, and enjoyment of the citizens of the City of Keizer.

B. PUBLIC MURALS

The process to display a Public Mural in the City of Keizer is as follows:

1. The property owner or artist, or other individual submits a request to KPAC with the concept for a mural with such detail to allow KPAC the ability to evaluate the concept according to the approval criteria established herein. This would include sketches and enough description about the materials used, the space where the piece would be created, and any other details that allow a decision to be made.
2. The request must contain any proposed temporary signage associated with the project prior to the mural being installed. Such temporary signage is considered part of the mural as a public purpose announcement ~~and~~
3. Person(s) applying to paint a public mural will agree to standardized city signage relating to the title, artist information, and/or dedication information that is to be installed following completion of the mural installation. This information shall be appropriately sized and shall be part of the mural and therefore not counted as part of the sign area.
4. KPAC or City staff will verify that the property owner is willing to have a mural on the property.
5. KPAC will review and evaluate the request at a regularly scheduled meeting.
6. If KPAC determines in its sole discretion that such concept is approved, KPAC will provide the legal department with a representative drawing or photo of the mural and the location proposed for the mural.
7. An Art Easement between the City and the property owner will be created by the legal department.
8. The legal department will have the Art Easement signed by the property owner and will place it before the Keizer City Council for authorization to enter into the Easement.
9. If authorized by the Keizer City Council, the Art Easement will be signed by the City representatives and recorded against the title of the property.

10. The Art Easement must be fully signed and recorded against the title of the property before work on the property will commence.
11. At the same time that the Art Easement is being prepared and signed, KPAC will make approve the funding plan, supplies, artists, etc. in preparation of placement of the Public Mural at the property.
12. The valuation of the Public Mural cannot exceed the value set by the Keizer City Council by Resolution.
13. Following completion of the project, KPAC notifies the City Recorder of the value of the mural.

The criteria that KPAC will use to evaluate Public Murals in the City of Keizer is as follows:

9. Property owner's maintenance: It is desirable that the property owner will agree to allow and support maintenance of the mural over the life of the mural;
10. Public Safety: The mural must meet City codes for safety and will not create any undue distraction or hazard.

C. OTHER PUBLIC ART (such as but not limited to: sculpture, landscape, traffic control boxes and hard surface)

The process to display Other Public Art (other than Public Murals or interior Art placed at the Keizer Community Center Gallery) is as follows:

1. A KPAC Commissioner, property owner, artist, Keizer Art Association, or other individual may submit a proposal to KPAC to consider an art piece(s).
2. The proposal must contain enough information, such as the proposed location, materials, and approvals needed in order for KPAC to make a decision.
3. KPAC evaluates the proposal to determine the feasibility of the project.
4. KPAC will review and evaluate the proposal at regularly scheduled meetings.
5. If KPAC determines the proposal is approved, KPAC staff will determine the appropriate legal documents that will be required with the assistance of the legal department.
6. KPAC reviews and approves the funding plan or arranges for necessary funding.
7. The legal department will prepare the legal documents, obtain Council approval, if required, and obtain the appropriate signatures.
8. KPAC staff/City staff installs art pads, if necessary.

Adopted by Keizer Public Arts Commission on this 7th day of July, 2020.

November 23, 2024

Dear Members of the Keizer Public Art Commission,

I am writing to respectfully request that we revisit our recent discussion on November 29th, 2024, regarding terminology for our October/November art showcase. After careful consideration and consultation with several Indigenous community members, including tribal elders, I believe we have an opportunity to make our initiative more inclusive and aligned with contemporary understanding.

Consider, if you will, a garden. When we say, "American gardens," we might think only of formal English-style gardens that came with European settlers. But North America's horticultural heritage is far richer – from the Three Sisters growing techniques of the Northeast to the desert agriculture of the Southwest.

By broadening our perspective, we don't diminish any single tradition; we enrich our understanding of the whole.

Similarly, the terms "Indigenous Peoples," "Native American," and "First Nation People" are like branches of the same tree – each valid, each meaningful, each chosen and preferred by different communities and individuals. The term "Indigenous" acknowledges the fundamental connection to this land that predates modern borders, while "Native American" speaks to the specific experience within what became the United States. Both terms have their place and their purpose. I've learned from conversations with tribal members, including a respected elder from the Blackfeet Nation, that many communities use these terms interchangeably and see value in each. They speak of this continent as Turtle Island, a land that stretches from the southern tip of South America to the northern reaches of Alaska – a perspective that reminds us that our modern borders are recent additions to an ancient landscape.

Therefore, I propose that we amend our previous decision to include the following language for our October/November showcase: "Celebrating Native American, Indigenous, and First Peoples' Art."

This inclusive approach would:

1. Honor the diverse ways in which these communities self-identify
2. Demonstrate our commitment to cultural understanding and respect

3. Welcome a broader range of artists from our local community
4. Align with contemporary cultural awareness and sensitivity

As representatives of the Keizer community, particularly in our partnership with the Keizer Heritage Center, we have an opportunity to lead by example in cultural inclusivity. This small change in language could make a significant difference in how welcoming our initiative feels to all members of our community.

I appreciate your consideration of this matter and look forward to discussing it at our next meeting. Our role as commissioners allows us to shape how our community engages with art and culture, and I believe this more inclusive approach better serves that mission.

Respectfully submitted,

Rebecca L. Brisbin
